

LESLIE WALTER CONNALLY

Ledie -

Much good luck to one of the brightest minds  
I have ever had the pleasure of teaching. I think I  
will always remember your sly smile as you took  
on Phil Williams! Keep up all those interests!  
now - and enjoy, enjoy, enjoy. C'chance!

# MARKSMEN

1974

**A three act drama  
of St. Mark's life**

*And is life not like the play? The gods who watch the drama know that somebody must play the villain's part, and somebody the pauper's . . . He, therefore, who is wise plays pauper, king, or villain with gods in mind.*

— Talbot Mundy

# EUGENE McDERMOTT

After four decades,  
Eugene McDermott has left us,  
but his work  
will always remain.

*Eugene McDermott has passed away — nevertheless, he will continue to live very much in our hearts and minds as we try to continue his good work, inspired as we are by his many and practical ideals.*

— Cecil H. Green

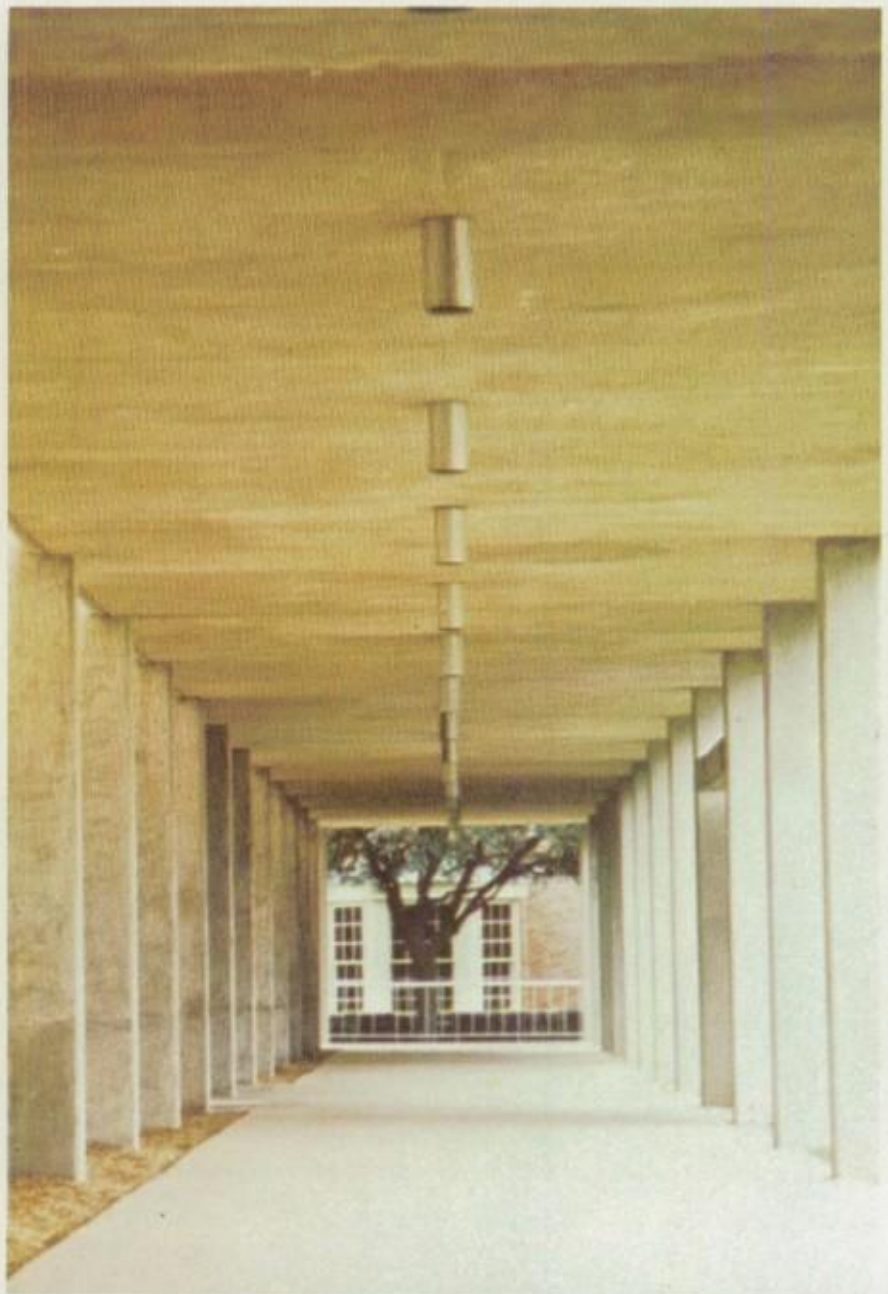

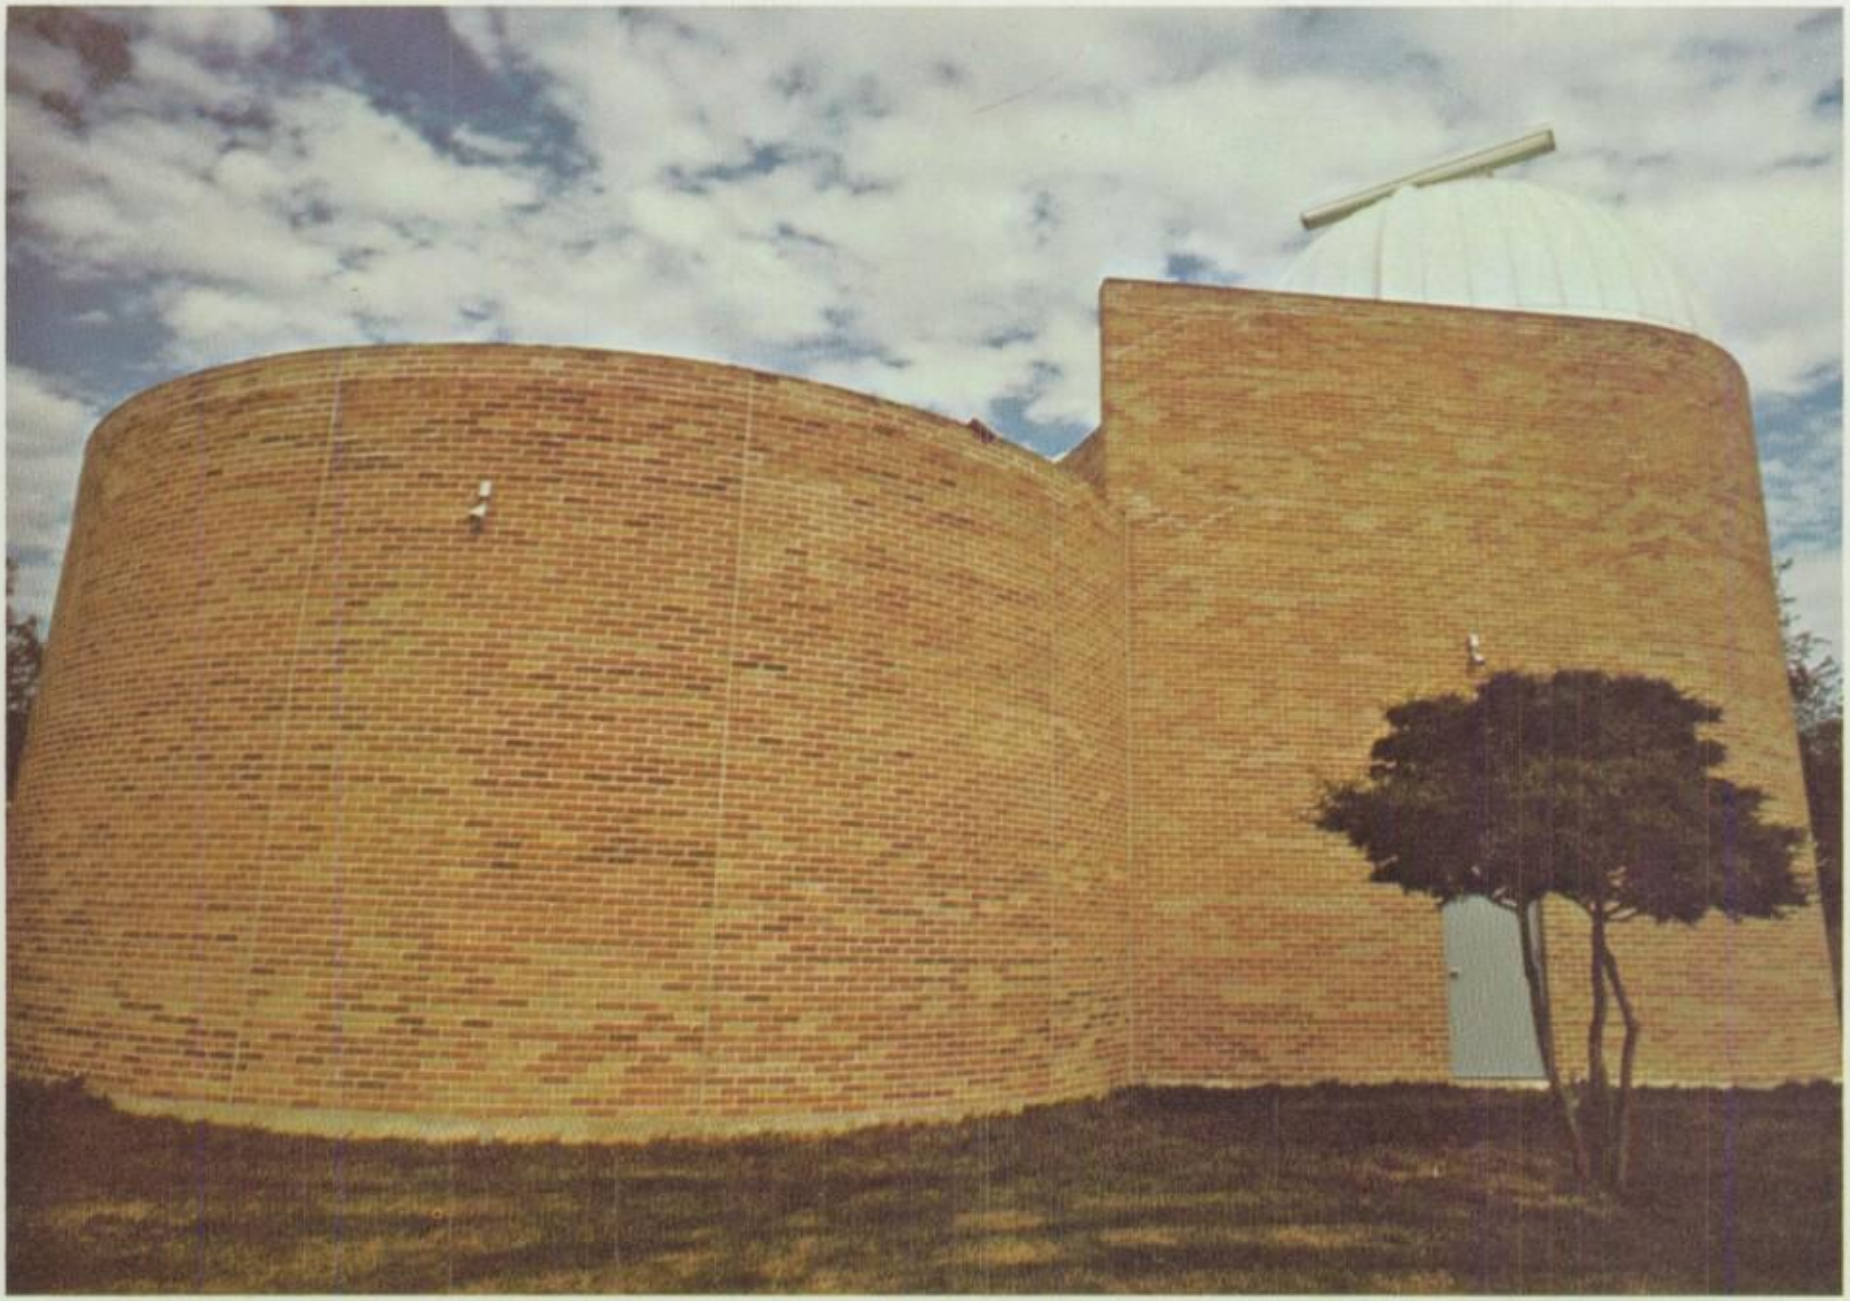

## STAGE

*Behind the words and movements, imperturbable,  
withdrawn, slumbered a strange smoldering  
power.*

— Henry Brocken

"Twenty-seven years ago in Chicago I piled all I had, my reputation, my character, my wife, children, home; I staked my soul, everything I had, on the God of the Bible, and the Christ of that Bible, and I won."

— Billy Sunday

I AM the true vine, and my father is the vinedresser. Every branch in me that does not bear fruit, He takes away; and every branch that bears fruit, He prunes it, that it may bear more fruit. You are already clean because of the word which I have spoken to you. Abide in Me, and I in you. As the branch cannot bear fruit of itself unless it abides in the vine, you are the branches; he who abides in Me, and I in him, he bears much fruit; for apart from Me you can do nothing. If anyone does not abide in Me, he is thrown away as a branch, and dries up; and they gather them, and cast them into the fire, and they are burned. If you abide in Me, and My words abide in you, ask whatever you wish, and it shall be done for you. By this is My Father glorified, that you bear much fruit, and so prove to be My disciples.

# FALL

How are the veins of thee, Autumn laden?  
Umbered juices  
And pulped oozes  
Pappy out of the cherry-bruises,  
Froth the veins of thee, wild, wild maiden,  
with hair that Clusters,  
In tumbling clusters, like swarthy grapes,  
Round thy brow and thine ears o'er shaden,  
With the burning darkness of eyes like pansies,  
Like velvet pansies  
Where through escapes  
The splendid might of thy conflagrate fancies;  
With robe gold-tawny not hiding the shapes  
Of the feet whereunto it falleth down,  
Thy naked feet unsandalled,  
With robe gold-tawny that does not veil  
Feet where the red  
Is meshed in the brown,  
Like a rubied sun in a Venice-sail

## Cheerleaders '73-'74

It all started in August, with the '73-'74 St. Mark's cheerleaders winning 3 firsts and 2 seconds at the SMU Cheerleader Clinic.

From the beginning, they were an ever-present body on the campus, supporting all phases of school life. The job they did at games cheering, with the new addition of Tom Woodruff — mascot, was instrumental in the football team's success. This year's pep rallies lead by the organizational genius of Dan Bass, along with the creative genius of Bill Von Behren and the whole maintenance crew, will always be remembered for getting the players' "juices going." Captain Dan Bass deserves much credit for organizing the outstanding victory parties, said to be the best ever.

An old

hool favorite.

Wow!!!

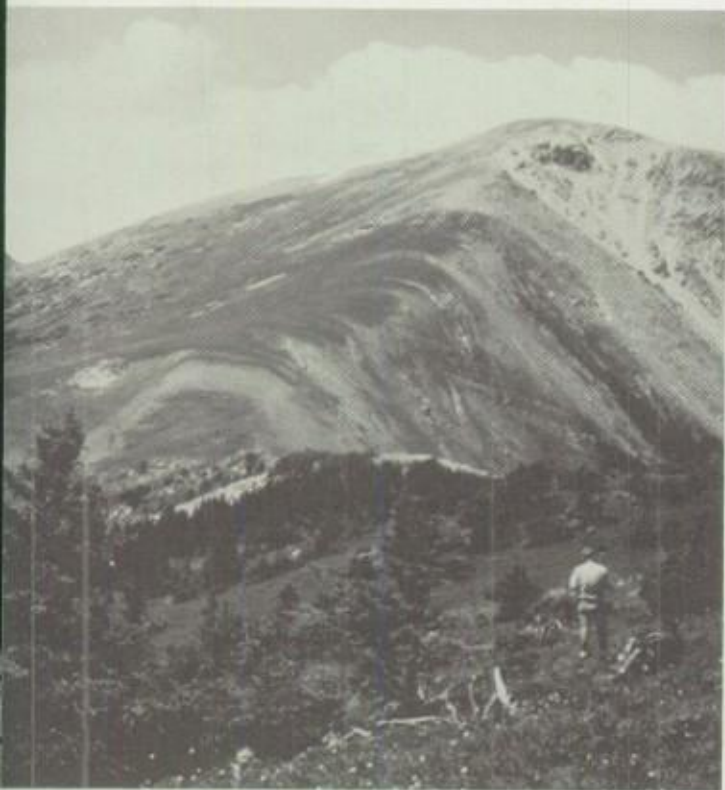

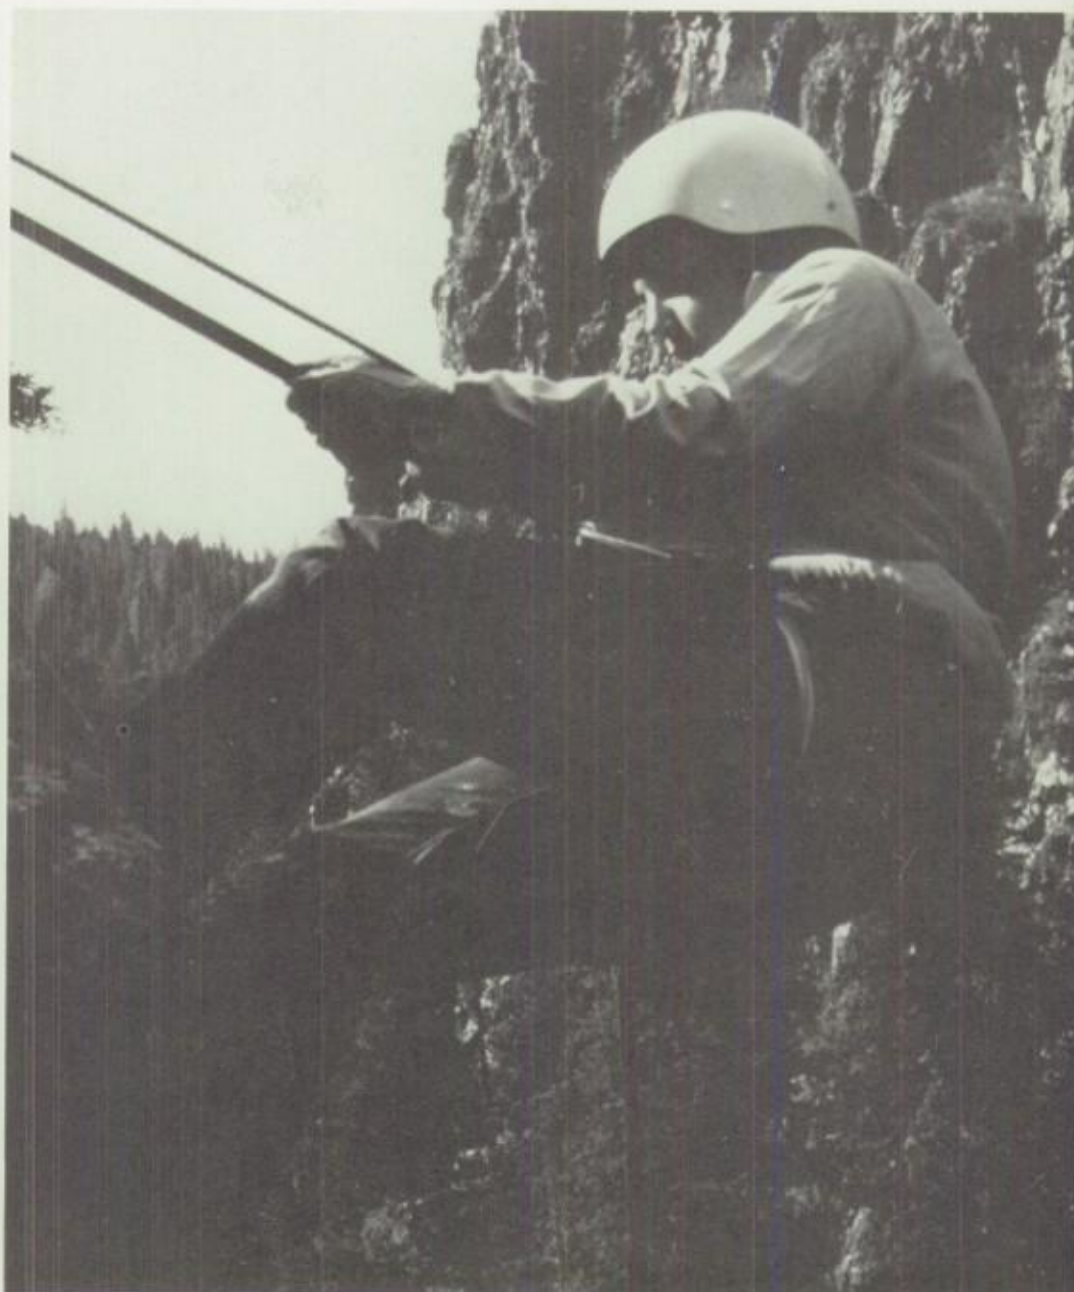

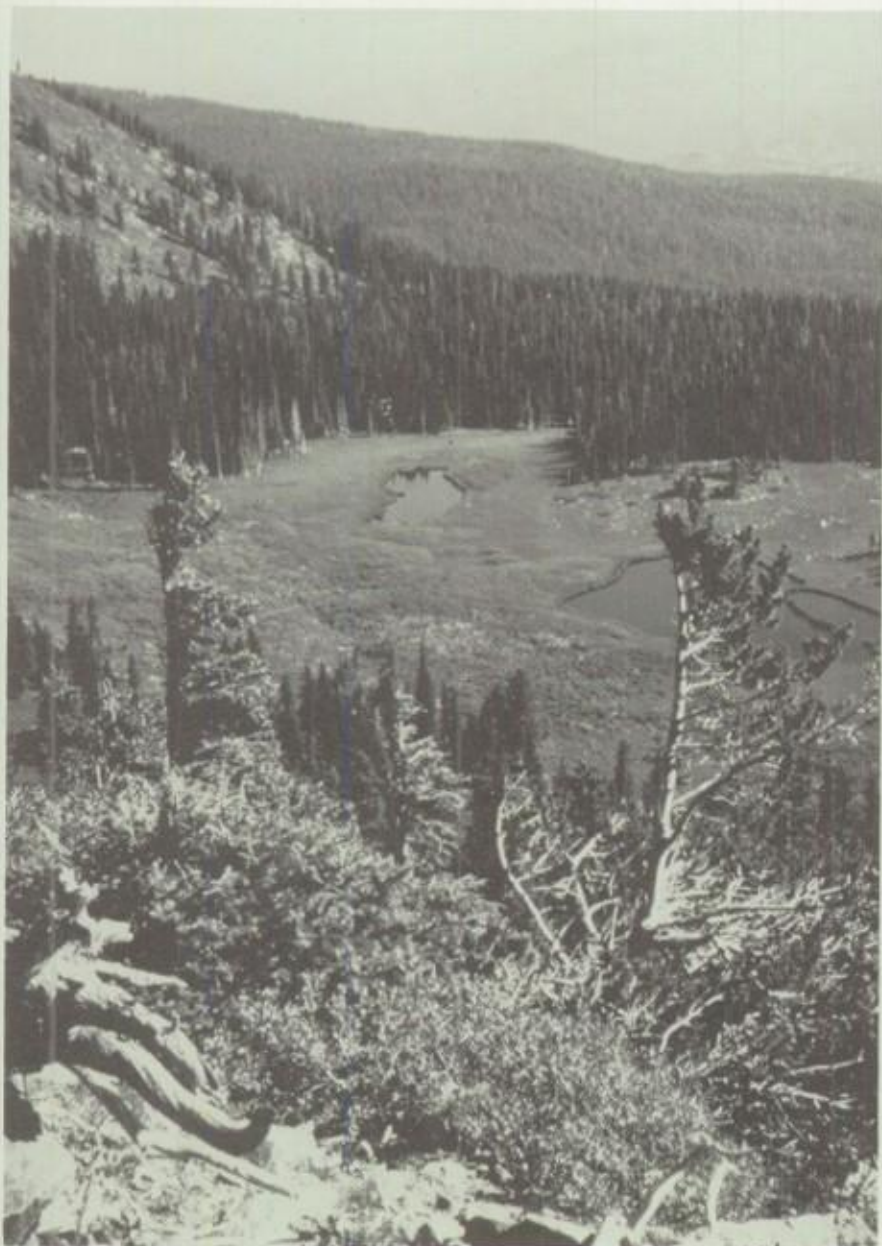

## PECOS II

"Tough day today. Eight hard miles, all uphill. A lot of people are sick from the altitude and work. We are camped at 11,800 feet. I am kind of proud of myself. The trip is getting better. This evening a herd of big horn sheep came into camp and ate peanuts out of our hands!"

"The rappel is over. That rock climbing was really something. It all happened so fast — it was over in 30 seconds, but what a thirty seconds that was. I'm a lot braver now! And proud, too."

# Roar

Roar really came into its own this year under the dynamic leadership of senior Tiger Allyn. Perhaps the key to its success was its happy union with Hockaday. Their joint car wash got things started with a big splash.

Roar's boisterous and welcome voice was heard at games home and away, adding a note of reassurance to the players and heightening excitement for the fans.

Hours of sleep were forfeited by diligent Roar workers as they artistically rolled the homes of St. Mark's varsity football team members in honor of Homecoming. This added a boost to each player's morale and possibly despair to each player's parents.

Thanks Roar for capturing that elusive something called school spirit and making it a great year for Marksmen.

Dynamic!

# National Merit

It was again reinforced that St. Mark's more than holds its own intellectually, as ten seniors were awarded the coveted status of National Merit semifinalist. Among the highest scorers in the country were Marksmen: David Frye, Burt Hailey, Bruce Holmes, James Keay, John Kemp, Sandy McCorquodale, Glenn Maples, Robert Naab, Dan Plumlee, and Paul Stewart. Additional honor was brought to our school as Dan Bass, Dunham Cobb, Leslie Connally, and Buck Wynne received NMSQT letters of commendation.

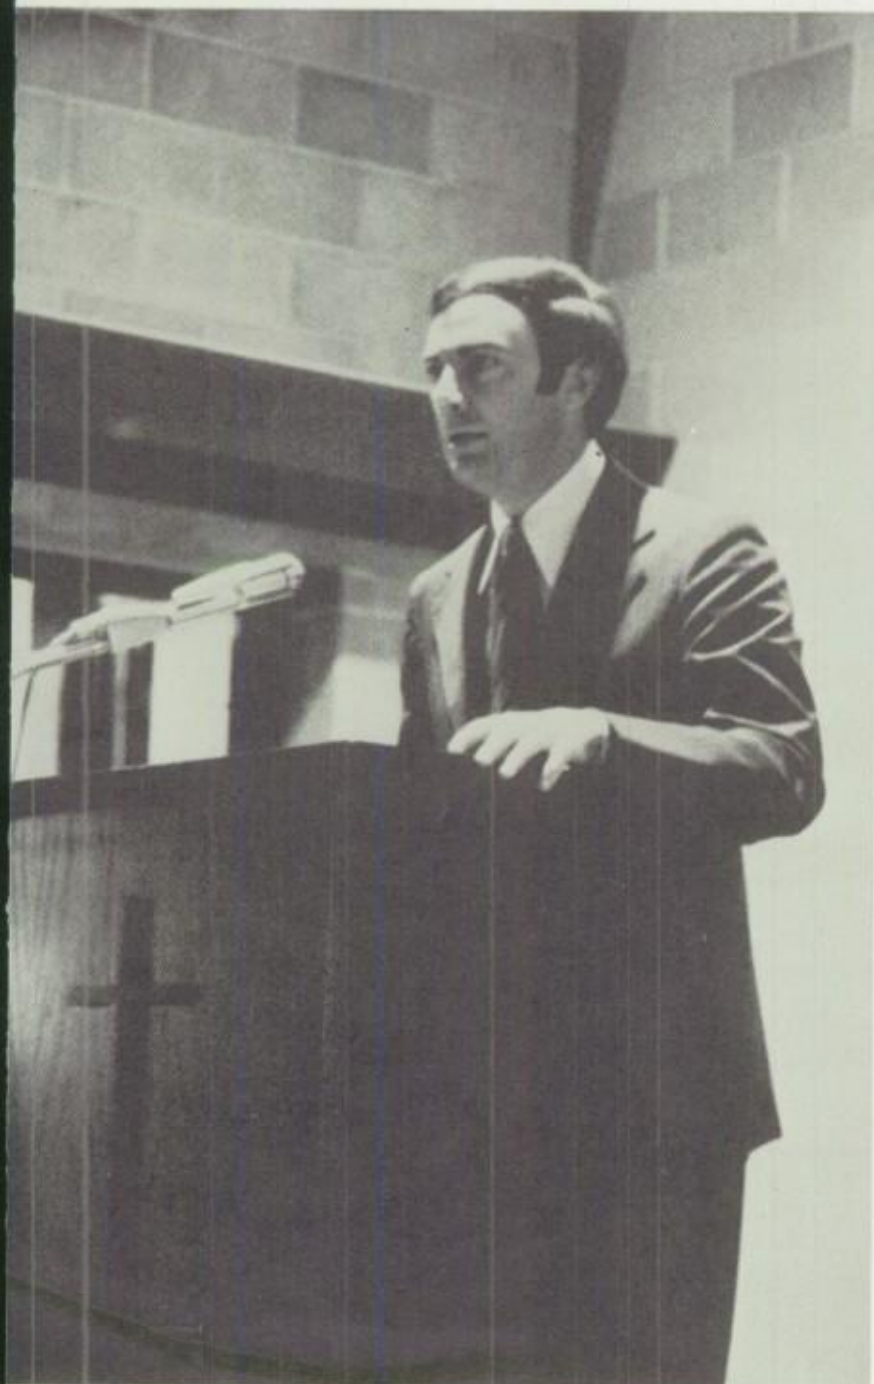

# Hockaday Carnival

For the first time, St. Mark's students contributed their time and effort to the Hockaday Charity Carnival, and hopefully, added to its success. Booths were set up by several St. Mark's classes and clubs. Marksmen bodies were offered for the Senior dunking booth which was perhaps the most popular of the many attractions.

# SAM DONALDSON

Mr. Sam Donaldson, ABC news correspondent, spoke at a special St. Mark's assembly on October 31, 1973. The Washington reporter used a fictitious example of an election process for Student Council President Tom Aronson to show how a political reporter operates.

## St. John's Bus Trip

Seniors Philip Williams and Tiger Allyn found the solution to the bussing problem as they transported some two hundred and ten St. Marks and Hockaday students to Houston for the St. John's game. Rebel fans were amazed to see that the St. Mark's cheering section far outnumbered their own.

The trip was equally as successful as was the Lion's victorious encounter with the Rebels, despite the breakdown of one bus — leaving standing room only. (Right, Mr. Connolly?) The commuting Lions agree that it was a night to remember.

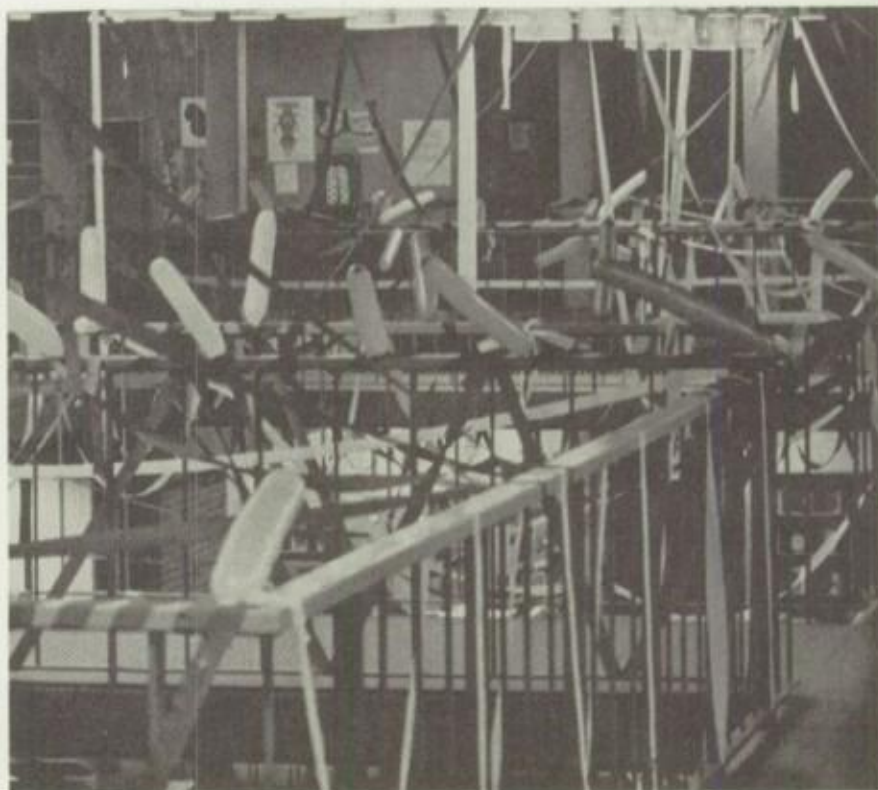

# Homecoming

Homecoming was a nostalgic but also exciting event this year. Grandparents as well as alumni were given a royal welcome. Many grandparents toured the campus and attended classes while alumni visited with faculty friends.

The football Lions did their part in making it a big evening by defeating Kinkaid 42-8. A dance hosted by the Sophomore Class with the music of Daniel brought the memorable day to a close.

## Choral Program

Musical renditions of such celebrated works as Brahms's *Liebeslieder Walzer* and Purcell's *Dido and Aeneas*, were performed by various St. Mark's choral groups on November 4, in the Chapel.

The concert was produced by Choral Director Jim Livengood, who also conducted the performance.

Mrs. Sharon L'Helgoual'ch also helped direct the Middle School Choir in a vaudeville routine of Benjamin Britten's *The Golden Vanity*.

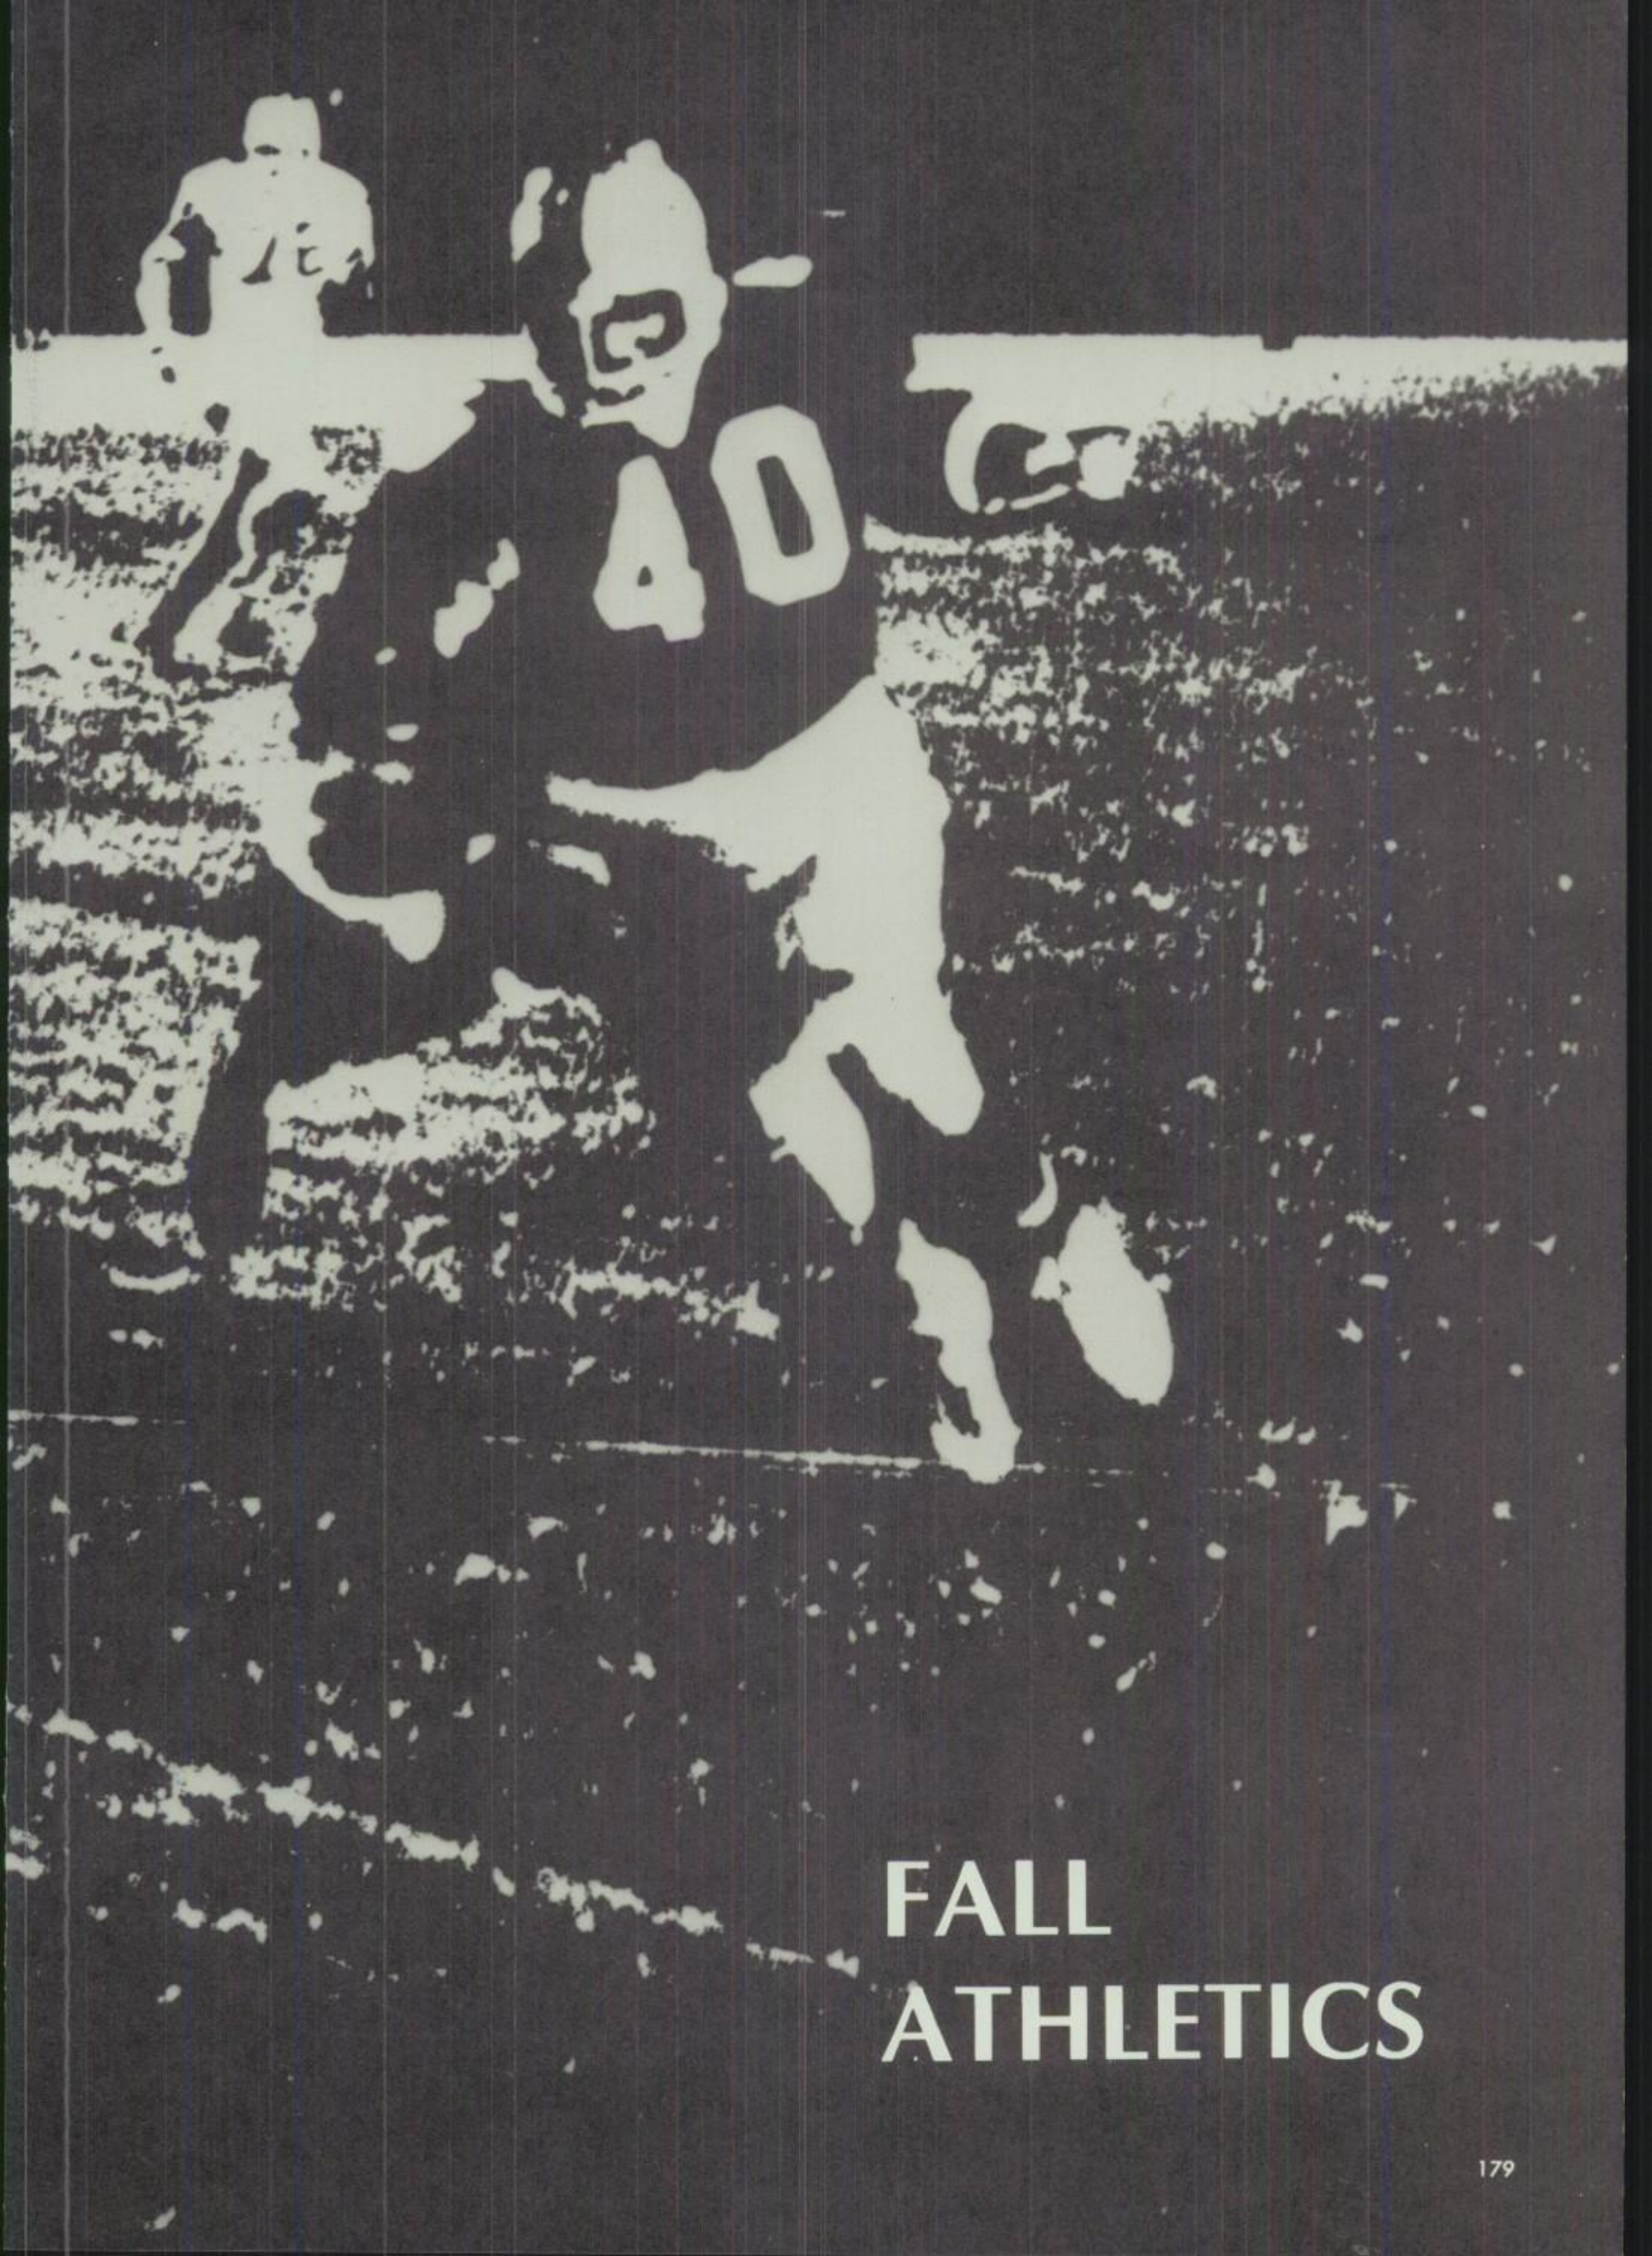

# Junior Dance

November was highlighted by the Junior Dance. Class President Tave Campbell and a committee of John Harris, Ray Stell, Tom Woodruff and Dwight Coleman were responsible for organizing the highly successful night.

Marksmen and their dates danced under the reflections of the revolving mirrored ball, to the music of the versatile Shelter. Electronic whiz Larry Groebe coordinated the lighting and special effects under the benevolent gaze of an air borne Super Man.

THE TEAM

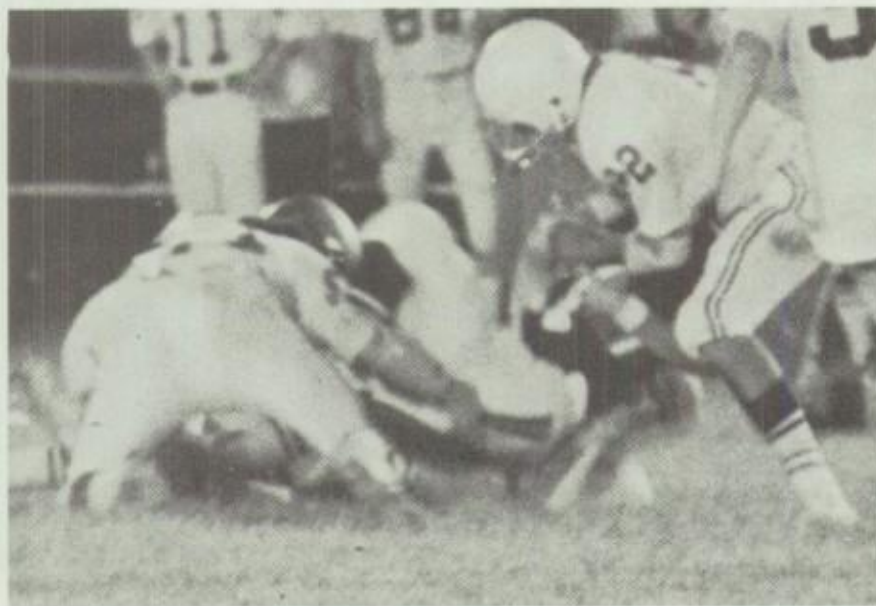

## Dallas Christian 0-0

On August 31, the Lions opened their regular season against Dallas Christian. Dallas Christian was considered an easy team to beat from past experience, yet the Lions really were not up for the game.

On offense the Lions moved the ball well, but only in the middle of the field. Tommy Ebner, Bob Firth, and Paul Stewart rushed for a total of 209 yards, but couldn't put it over for a score. The Lions penetrated the 20 yard line at least three times, and every time their drives were stopped.

Defense was the real highlight of the game. The St. Mark's "Mean Machine" held the Chargers to minus 24 yards rushing and 142 yards passing. Even though the offense had failed, the defense kept the Lions undefeated for one game anyway.

## Bishop Lynch 10-15

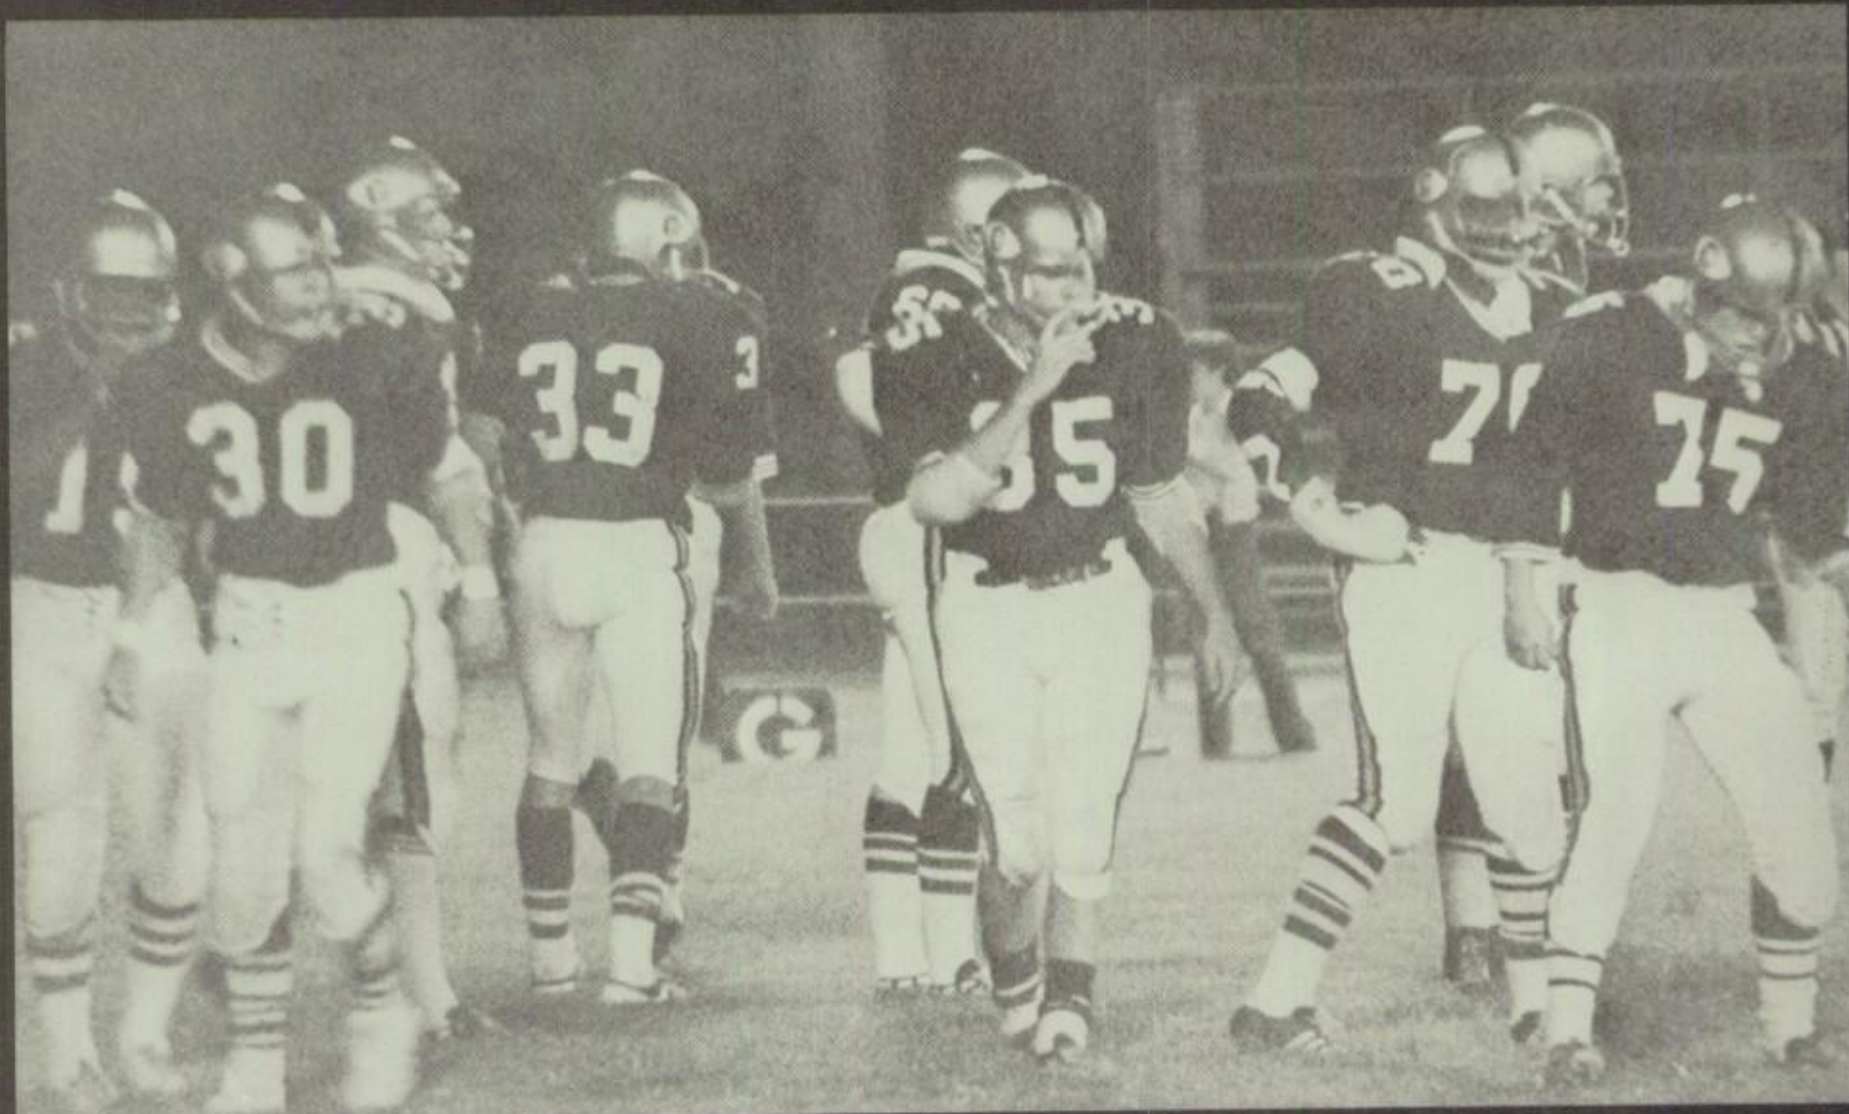

St. Mark's came out for the Lynch game with just the opposite attitude as they had in the first game of the season. The Lions had really worked that week in practice and everyone was ready for a hard-hitting ballgame.

The St. Mark's defense was again tremendous and at the end of the first quarter the Lions had held the Friars scoreless. The offense had also managed their first score, as Chip Justice put the ball through the uprights for a 35 yard field goal.

Then disaster struck. As the Lions prepared to kick another field goal at the end of the half, the attempt was blocked, the fumble was picked up, and the Friars scored. During the second half, St. Mark's fumbled a punt on the one yard line and Lynch recovered to set up their second score. The Lions were able to score one more time when Lynn Fowler carried for 9 yards, but they couldn't pull it out. St. Mark's really didn't lose though, they held Lynch to 18 yards rushing and 98 yards passing. This game was a game of bad luck, but it served to bring the players together as a team.

Tom Ebner avoids Lynch tackler.

THE MEAN MACHINE

Clay Hollis hurdles Kaufman tackler.

Tommy Ebner . . .

## Kaufman 16-7

The Kaufman game was probably the most important one of the season, not because they were our biggest rivals, but because they were ranked sixth in State AA and they beat us last year 28-9. They were undefeated and unscored upon, and if we could beat them we would have the confidence to go undefeated the rest of the year.

In the first quarter Paul Stewart scored on a 3 yard run and Lamar Hunt kicked for the extra point. In the second quarter Tom Ebner scored on a 1 yard run and Kaufman scored on an 80 yard pass play. At the end of the first half St. Mark's led 14-7.

The second half was a defensive battle as again the "Mean Machine" held their opponents to zero yards rushing and 16 yards passing. With 29 seconds left John Boy Lee tackled the Kaufman quarterback in the end zone to make the score 16-7. The Lions' victory of the year.

VICTORY

# Bishop Dunne 28-6

This was the last of the three tough games against teams bigger than St. Mark's. As the Lions entered the game they were well aware of the great speed of the Falcons and Dunne's ability to break the game open in one play.

With 1:19 left in the first quarter Tennell Atkins of Bishop Dunne made the big play by racing 98 yards for a TD. This broke the ice for the Lions and sparked the offense to drive 59 yards and score as Rodriguez scampered over from the 10. Later in the second quarter, with 38 seconds remaining, Paul

Lamar Hunt and Lynn Fowler

Stewart scored from the one to make the score 14-6 at the half.

In the third period the Lion defense forced the Falcons to cough up the football and with 3:54 left Rodriguez plunged over from the one. St. Mark's final score came in the fourth quarter with 4:47 remaining to make the final score 28-6.

Rully

# Holland Hall 30-6

Paul Stewart STRETCHES to save TD.

Lynn Fowler sets up behind all-conference guard, Rockey Campbell and Bob Firth.

Watch Rodriguez get CREAMED!!

Holland Hall was probably considered the easiest game of the season, but from past experience with Dallas Christian the Dutchmen could not be taken lightly.

The Lions immediately took charge by controlling the ball for a sustained drive which set up Lynn Fowler's 20 yard dash to paydirt. Bob Firth scored next on a 2 yard run as the Lion defense continued to force Holland Hall to turn over the football. Then in the second quarter, Lynn Fowler found Paul Stewart for a 12 yard TD pass. The second half was again dominated by the Lion defense and the offense also managed to put ten more points on the board as Tommy Ebner scored on a 17 yard run and Chip Justice booted a 33 yard field goal. This 30-6 romp gave the Lions their first SPC victory.

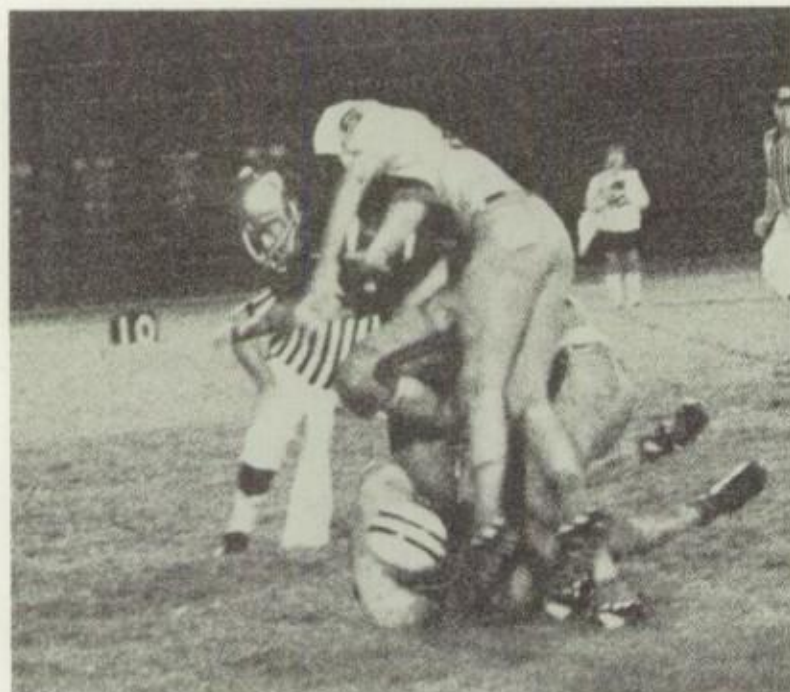

# Casady 20-2

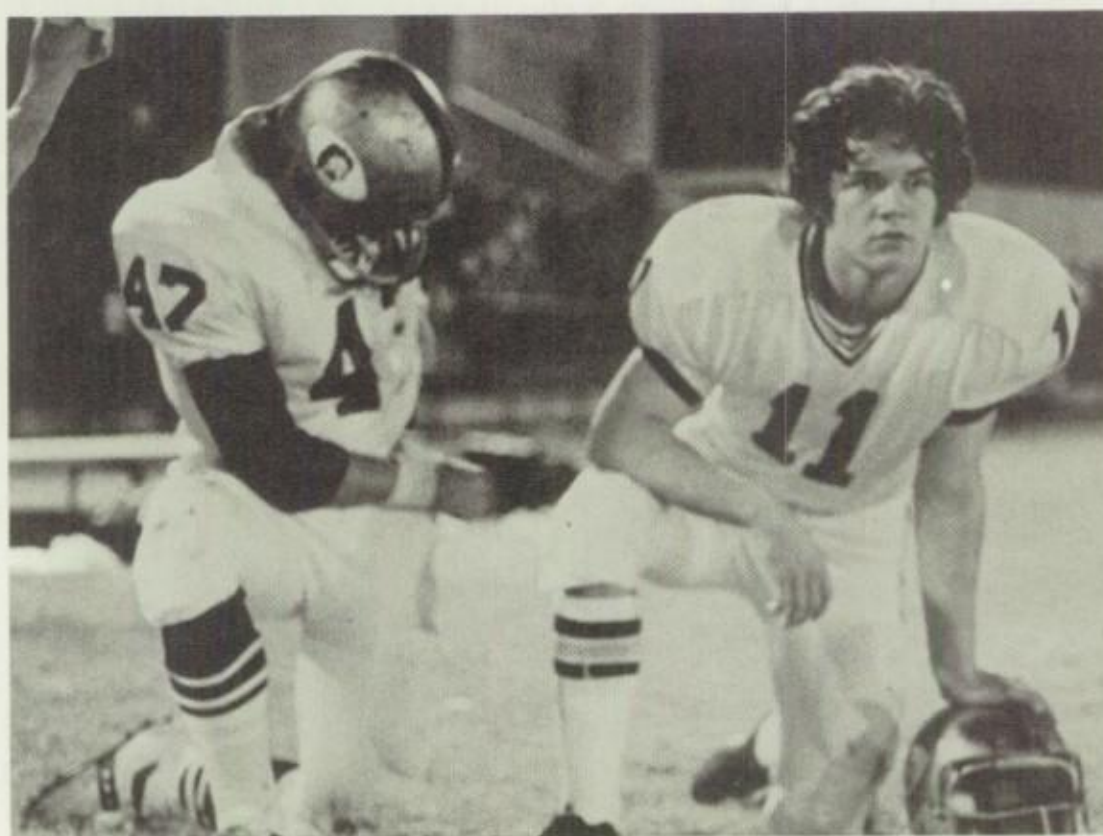

The game with Casady was an emotional battle as the Lions attempted to redeem themselves after last year's 14-7 loss in Oklahoma City. It also meant recapturing the SPC title.

The weather was very unpleasant as rain fell throughout the game but to the advantage of the Lions. As both teams' passing game was totally shut down, the St. Mark's running game prevailed. The offense maintained two drives of 66 and 50 yards, both of which were topped off by 3 yard plunges by Paul Stewart for the scores. The other St. Mark's score came early in the fourth quarter on a 1 yard dive by Raul Rodriguez.

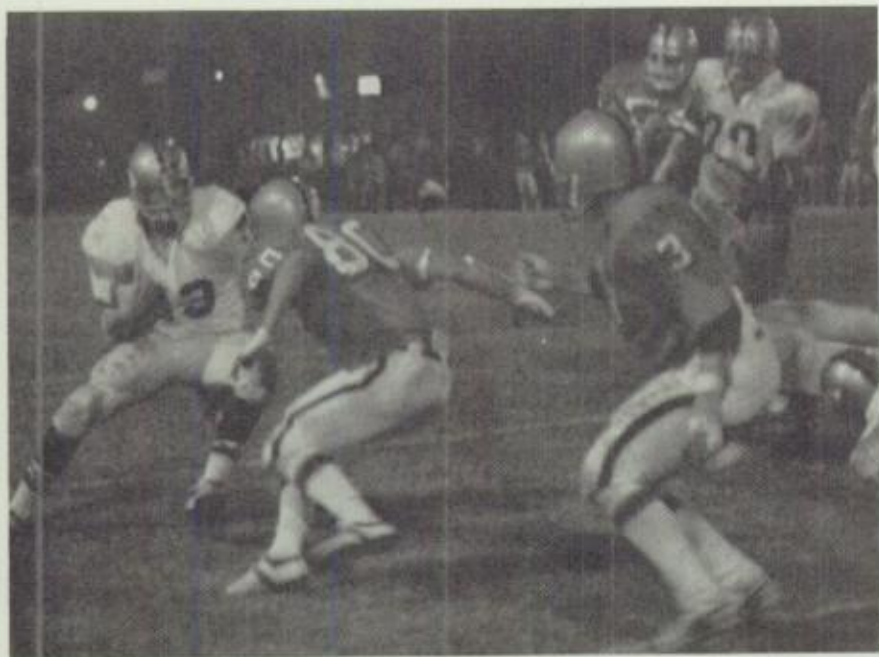

The Cyclones' only score came late in the game when Clay Hollis was caught in the end zone for a safety. This left the score 20-2 for the Lions — and the North-Zone Championship.

## St. John's 34-7

The Lions made their second road trip to Houston to meet the Rebels of St. John's. St. John's was expected to be tough and the Lions were prepared to defend their record. St. Mark's racked up 211 yards on the ground and the defense came through holding the Rebels to 28 yards rushing and only 19 yards passing.

The Lions took charge from the beginning as they took the opening kickoff 49 yards and nine plays later Paul Stewart scored from the one.

Paul Stewart (above) finds Tommy Ebner (left) open on the halfback pass.

St. John's then fumbled on their first play and Jim Clutts booted a 23 yard field goal. To end the half right, Lynn Fowler found Robert Stokes for a 40 yard completion and again Paul Stewart found the end zone to make the score 17-0. By the end of the game St. Mark's scored two more times and Jim Clutts kicked another field goal. This gave the Lions the entire SPC title and their fifth straight win.

# Kinkaid 42-8

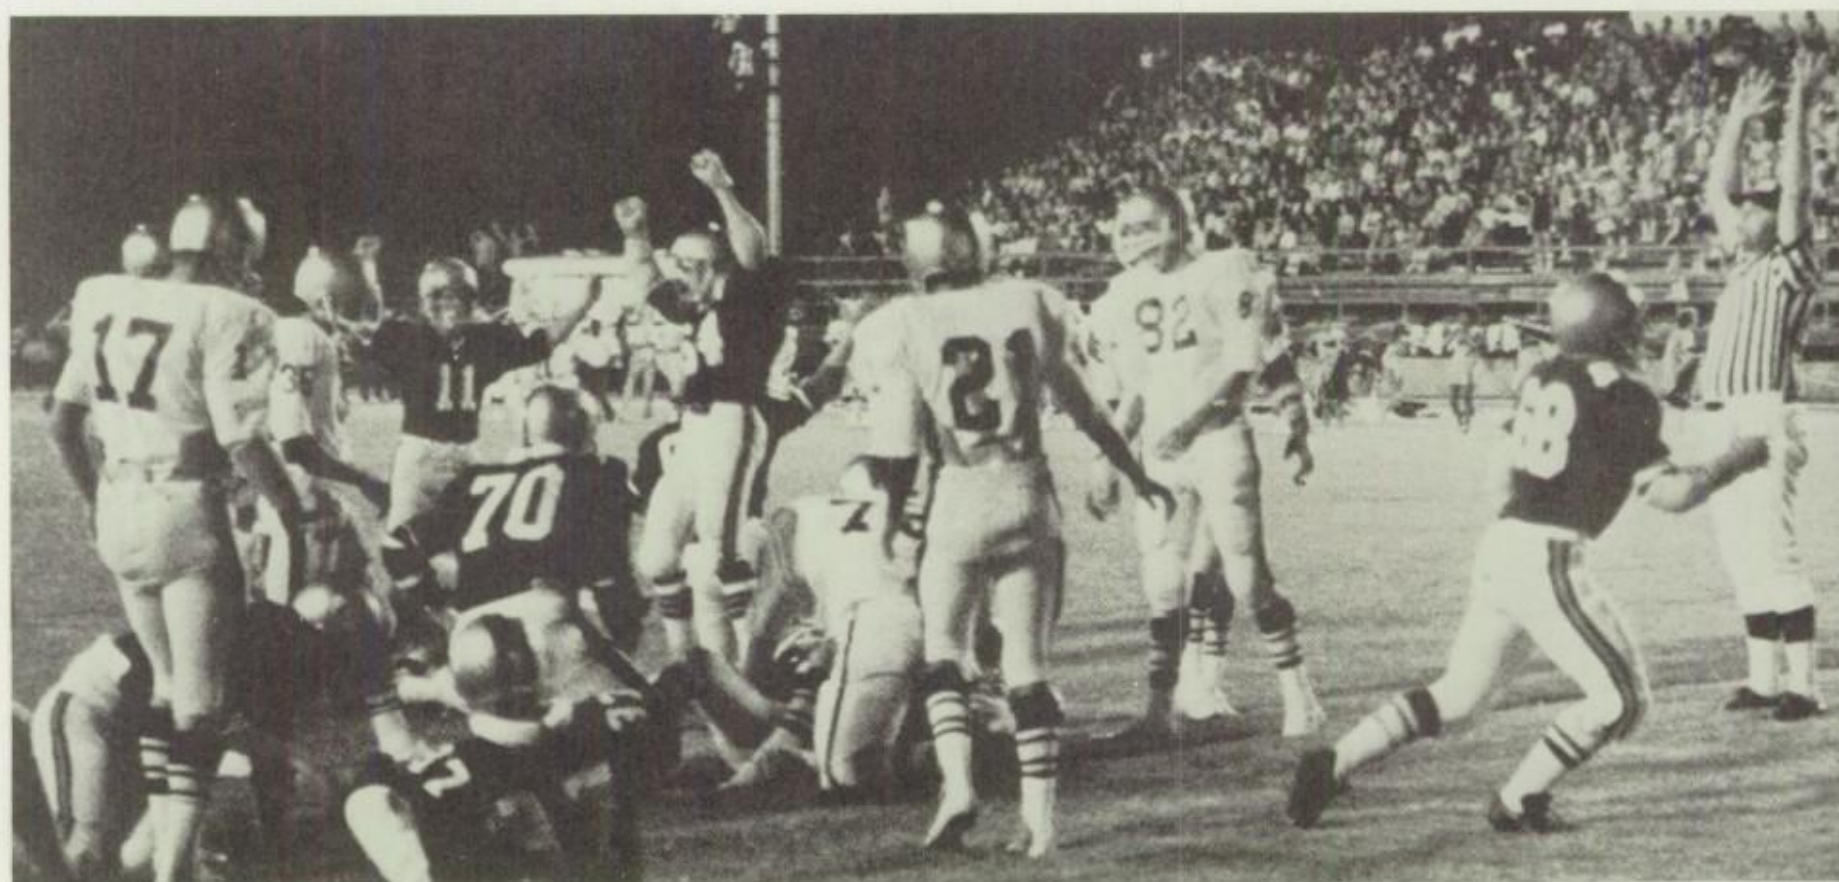

## Homecoming

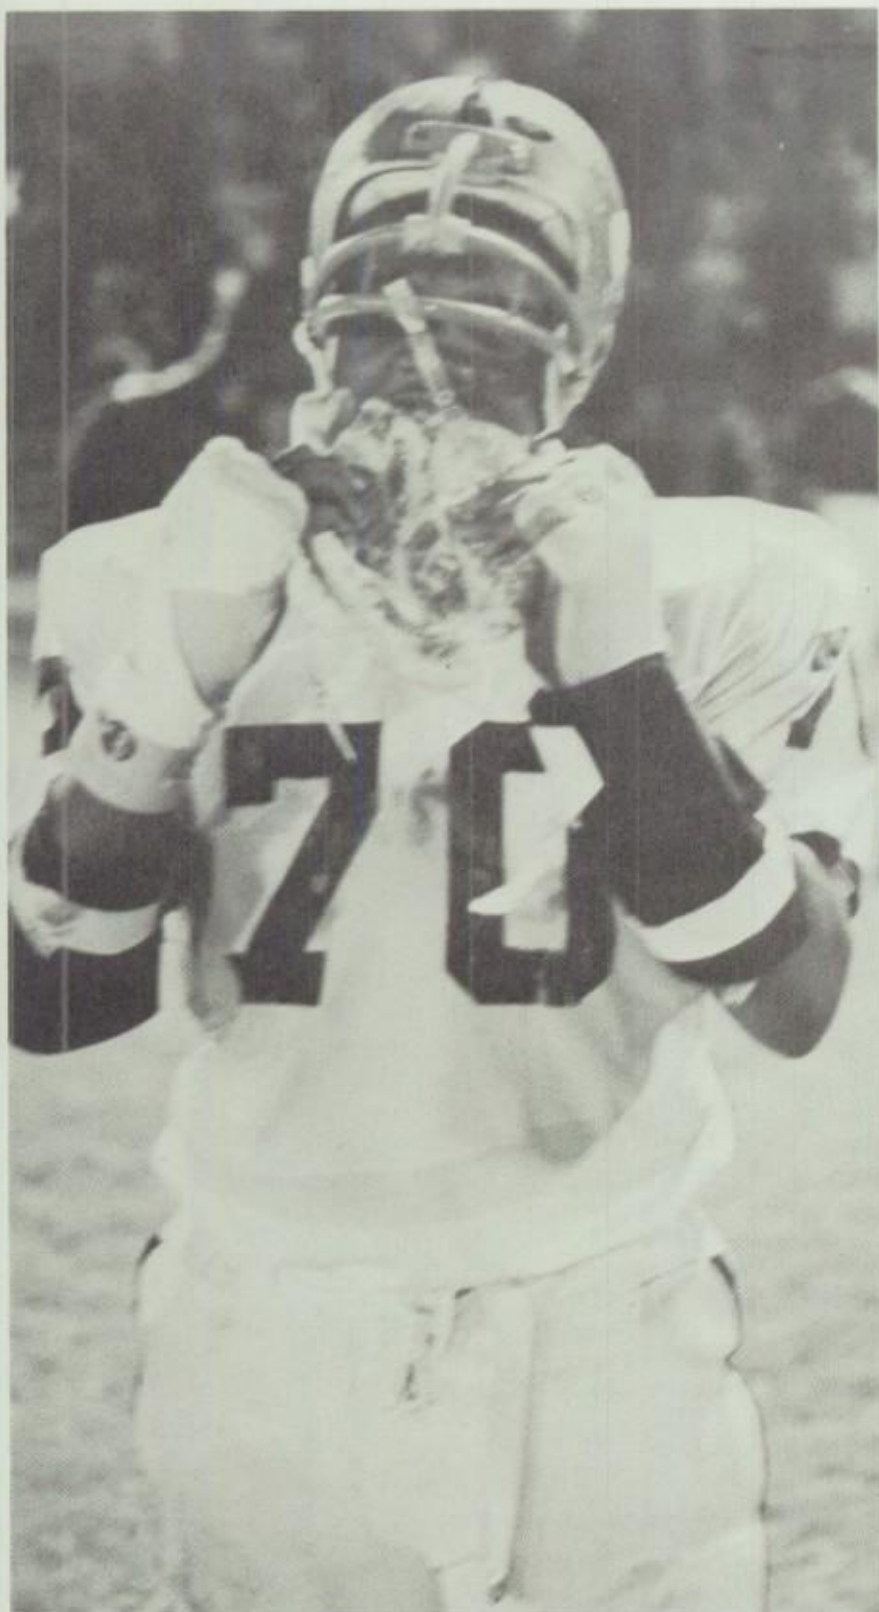

St. Mark's totally blew Kinkaid off the field for the second straight year. The Lions took a 42 yard opening kickoff return by Raul Rodriguez and turned it into a 13 play drive for a quick score and the same type of consistent ball was played all night. The offense chalked up 301 yards and the defense did very well as the Falcons could only score once late in the game.

Bob Firth had his finest night as he rushed for 88 yards in 15 carries and rookie running back Lamar Hunt broke away for a 62 yard TD dash in the fourth quarter. Over all it was a very happy homecoming.

LEFT: "SUGAR BEAR"

## Notre Dame 28-6

The final game for a tremendous team came on Nov. 2. The Lions were to meet a very cocky Notre Dame team who were undefeated coming into their final game before the TCIL playoffs. They did not stay undefeated very long, however, as the Lions offense repeatedly ran through, over, and around their defense. The Lion backs gained 288 yards and the defense led by Lamar Hunt, John Lee, and Fran Roberson held Corky Duffield, "the best quarterback in the state?", to -1 yards rushing and 69 passing.

The Lions ended the game on top and thus finished the season 7-1-1.

THE END

# Cross-Country

Ed Kownslar

After being hit hard by last year's graduation of some top runners, the 1973-74 Cross-Country team rallied around Coach Mailer and captains Bill Neale and Trey Nicoud, to capture the SPC Cross-Country title for the second year in a row. Once again the race was a closely contested battle between Casady and St. Mark's.

The "Dynamic Duo" of Ed Kownslar and John Kellogg consistently had the best times of Lion runners. They could always be found duelling for top places in every meet. David Maldonado and Phil Smith, newcomers to the team, also contributed greatly in the team's campaign this year. Even though these people were newcomers they added great depth to the team and one, David Maldonado, earned all-conference honors.

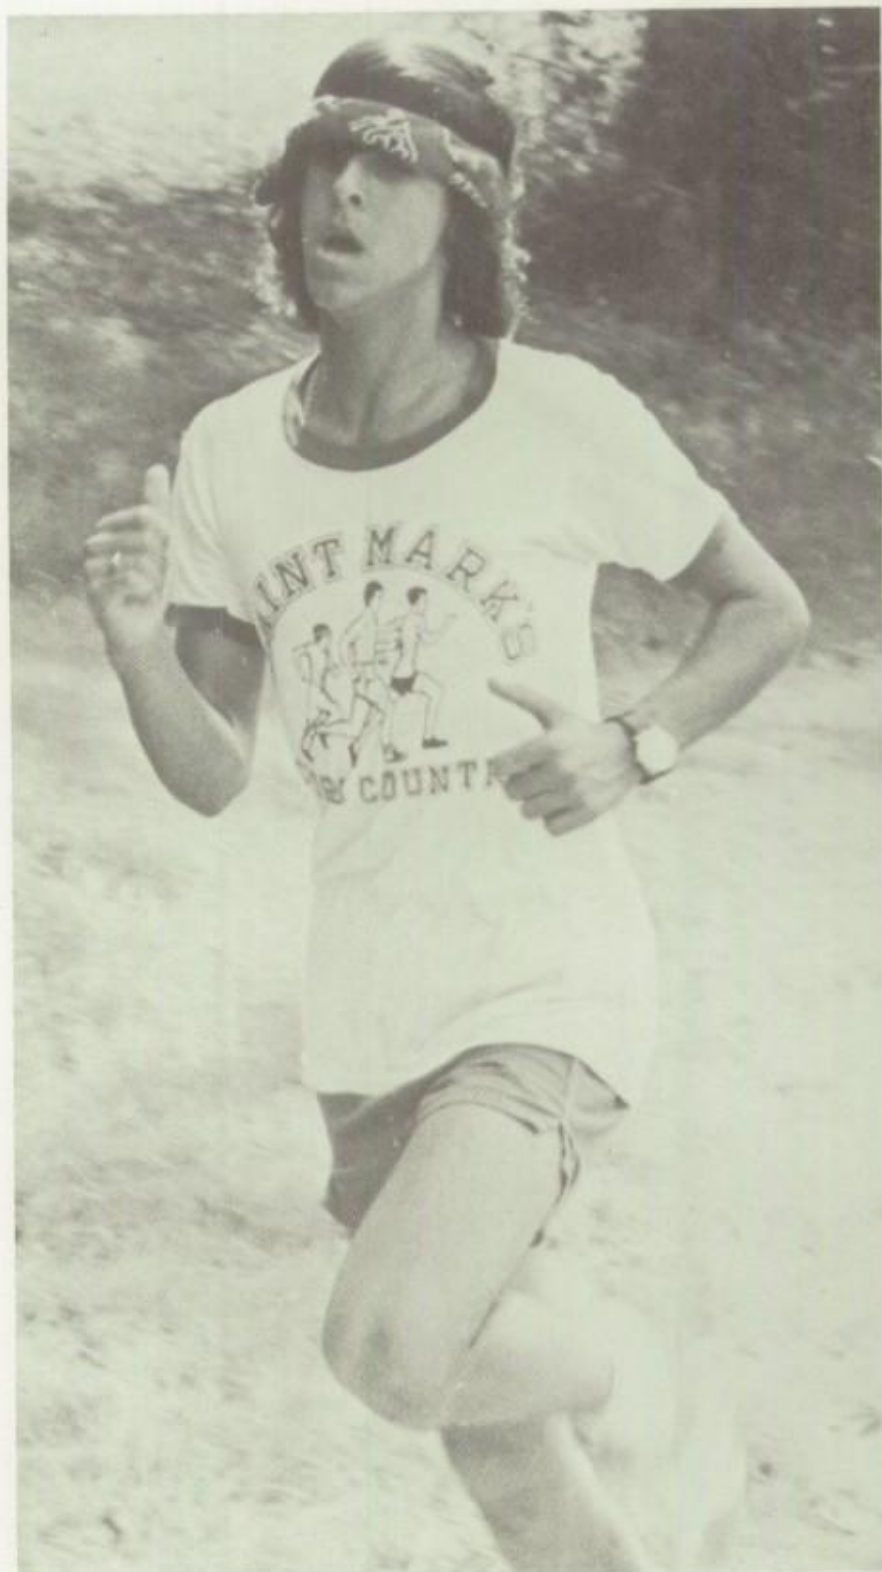

Team leadership was also a great factor in the team's success. Trey Nicoud showed the leadership that is imperative for a championship team. Bill Neale, though injured most of the year, contributed greatly to team morale.

# Water Polo

This year's varsity water polo team, coached by Mr. Tim Shutt and Mr. John Stutsman, had by far, more strength and depth than either of the two teams preceding it. Only in its third year as an activity and second as a varsity sport, the Lion team fared exceptionally well against tough competition from all over Texas. The polo team played other high schools only in tournaments, so it had to rely upon Dallas matches with UTA and TCU for experience.

The real highlights of the season, however, were at College Station, Texas where Texas A&M hosted two tournaments — one in September and one in November. The latter of the two, the Texas High School Water Polo Championship tourney on Nov. 2-3, featured select teams from Texas competing for

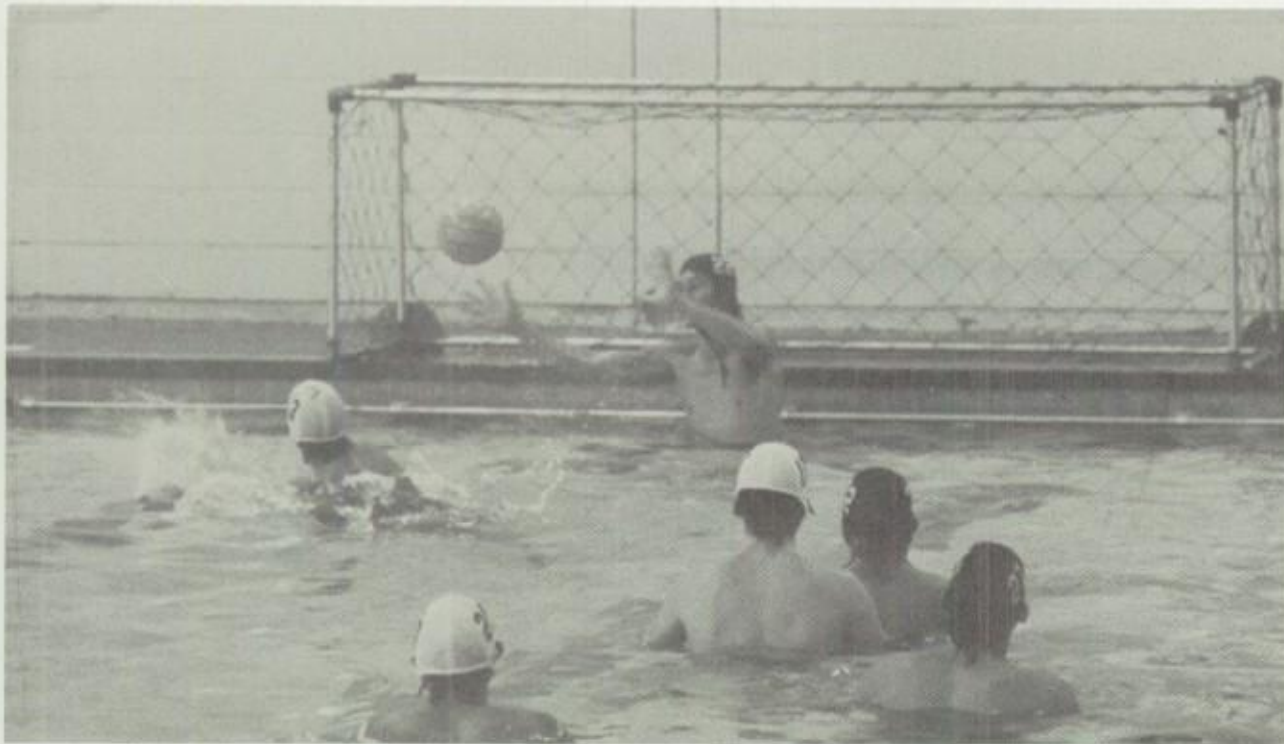

the first place ranking in the state. St. Mark's bettered its performance of last year by finishing in third place. It was during this tournament that the Lions played their best game of the season by beating McAllen, 11-8, the team that had blocked the Lions from the semi-finals last year. The winner of this tournament was a team from College Station (A&M Consolidated).

The captain of the team this year was senior Tiger Allyn. He and Scott Pinkston were the only seniors on the team, so, the water polo squad looks forward to a great season in 1974. Tri-captains for next year are Dwight Fletcher, Dixon Hutchinson, and Marshall Payne.

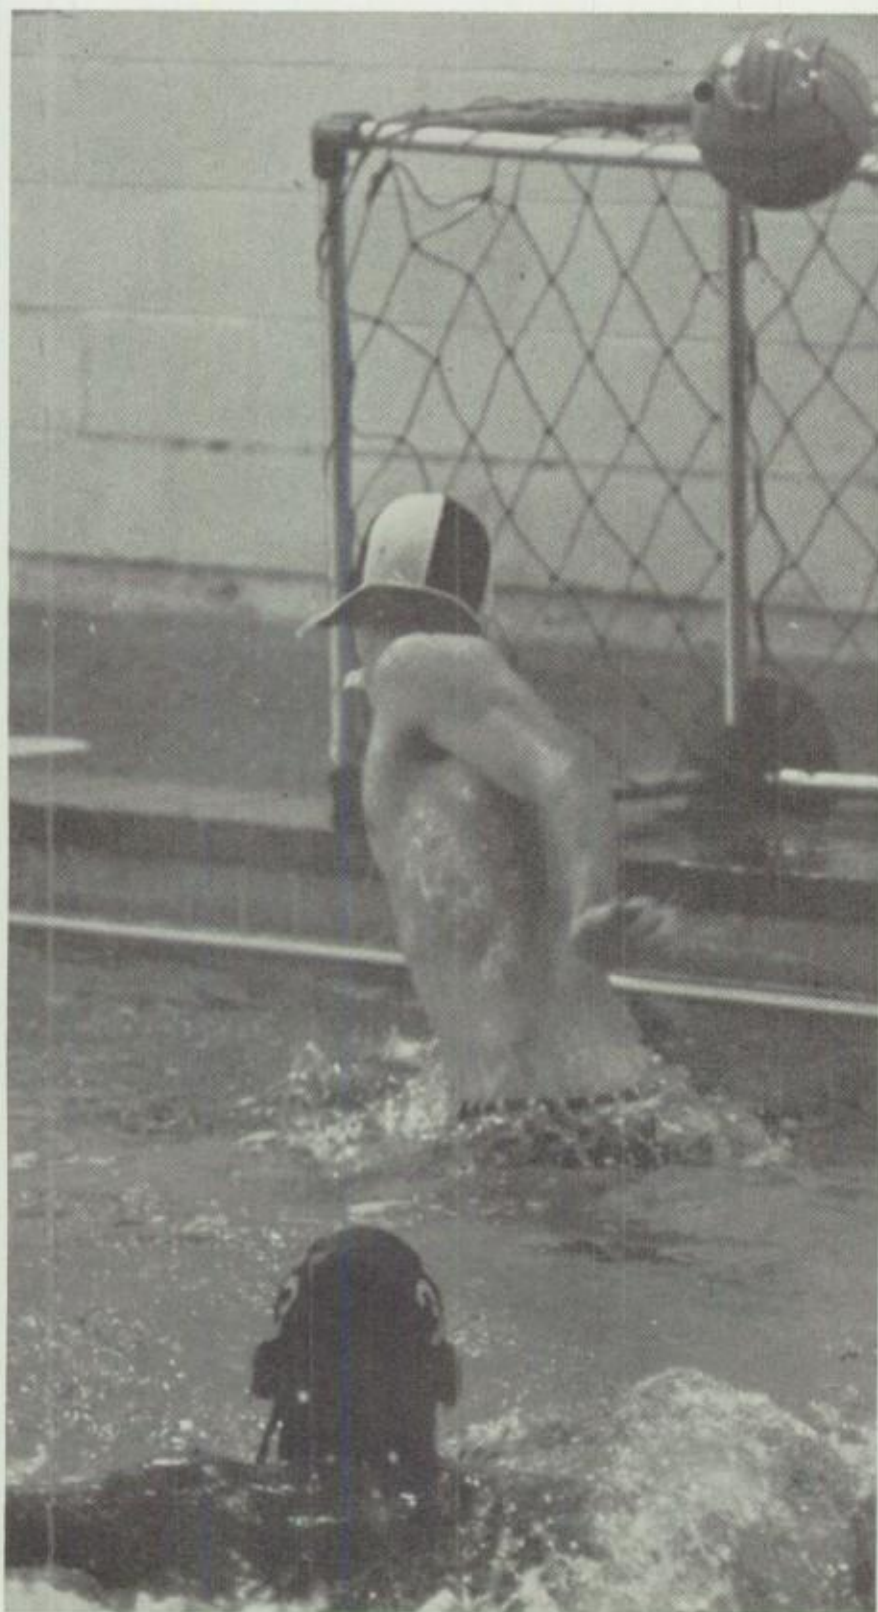

1st ROW: Gerard, Baldwin, Lenox, Pollock, McGrath, Boehm, Petersen, Page, McCarthy, McLaurin, Denton. 2nd ROW: Mr. Stutsman, Holt, Glenn, Payne, Harris, Allyn, Pinkston, Fletcher, Hutchinson, Kraus, Mr. Shutt.

His breath like silver arrows pierced the air,  
The naked earth crouched shuddering at his feet,  
His finger on all flowing waters sweet  
Forbidding lay — motion nor sound was left —  
Nature was frozen dead — and still and slow  
A winding sheet fell o'er her body fair,  
Flakey and soft, from his wide wings of snow.

ACT II

WINTER

A tradition was born on November 20, as St. Mark's held its first annual Thanksgiving assembly. The mood of the program was religious, historical, commemorative and patriotic. Music was provided by the St. Mark's Choir and Glee Club, the St. Mark's Band and the Reem Creek Runners, a blue grass folk group. Mr. Whatley spoke on the "First Thanksgiving" and was followed by a musical salute to the memory of John F. Kennedy by the St. Mark's Band playing two pieces written by Mr. Mario Foster in honor of the late President. Mr. J. J. Connolly then reflected upon the assassination of the young President and its impact upon the St. Mark's community and the nation. Father Ensor gave a short benediction and the assembly was concluded with the singing of "This Land is Your Land."

The 1973 Canpaign began in early November under the direction of co-chairmen Tiger Allyn, Brett Campbell and Rease Parton. They organized nightly door-to-door solicitation for cans, an activity which was greatly aided by strong support from Hockaday. Fund raising for the Canpaign centered around four planetarium shows, an outstanding folk concert and the ever-popular luncheon auctions. One of the high points of the drive was a faculty skit which escalated Canpaign spirit. When the final count was made, 43,000 cans had been collected. The Junior Class won the class competition but everyone involved was a winner, which could clearly be seen in the faces of the eager recipients of the cans.

The St. Mark's Upper School Orchestra and Advanced Band presented a program of contemporary and traditional pieces on December 7. The Orchestra under the direction of Yves L'Helgoual'ch presented a variety of pieces including the *French Christmas Suite* by Cesar Franck. Mr. Mario Foster directed the Advanced Band in a program of rock tunes and traditional Christmas pieces. Admission was gained to the performance by a Campaign donation.

# Emory Glee Club

Upper School assembly on December 14, was honored by a performance of the Emory University Chorale and Glee Club. Their songs came from the special service, A Festival of Nine Lessons and Carols. They have performed this service around the country for almost 50 years. St. Mark's was truly fortunate to be one of the many stops on the Emory choral tour.

## Drama Production

The Drama Club presented *Everyman*, a Middle Age morality play for two evenings on December 18 and 19. The cast included seventeen students from St. Mark's and Hockaday. The performance was directed by Mr. Peter Lutken who was assisted by freshman Scott Walton. Donations for the Campaign were taken both nights.

## Festival of Nine Lessons and Carols

In the Christmas spirit the 22nd annual Festival of Nine Lessons and Carols was performed in the Chapel on Sunday, December 16. Readers of the Nine Lessons were members of the St. Mark's community. Choirmaster James Livengood directed the Choir and Glee Club, and was assisted by Bruce Bengston, SMU, organist for the service.

# Christmas Party

St. Mark's annual Christmas Party was held in the Chapel on December 19. The festivities included Christmas Carols and the decoration of the Christmas tree by Lower Schoolers aided by the Senior Class. Tiger Allyn, Brett Cambell, and Rease Parton announced the results of the Campaign. Christmas gifts were also presented to the Good Samaritan United Church.

## Councilman Jerry Gilmore

"Is there anything worthwhile in American politics today?" asked Councilman Jerry Gilmore before the St. Mark's Upper School on Friday, December 7, in Morning Assembly.

His speech pertained to the political system. The City Councilman stressed that "the system is working," as is evident in the people's uncovering misconduct of officials in high office. He went on to say that the system is working by reason of the freedoms: freedom of speech, freedom of press, freedom of assembly.

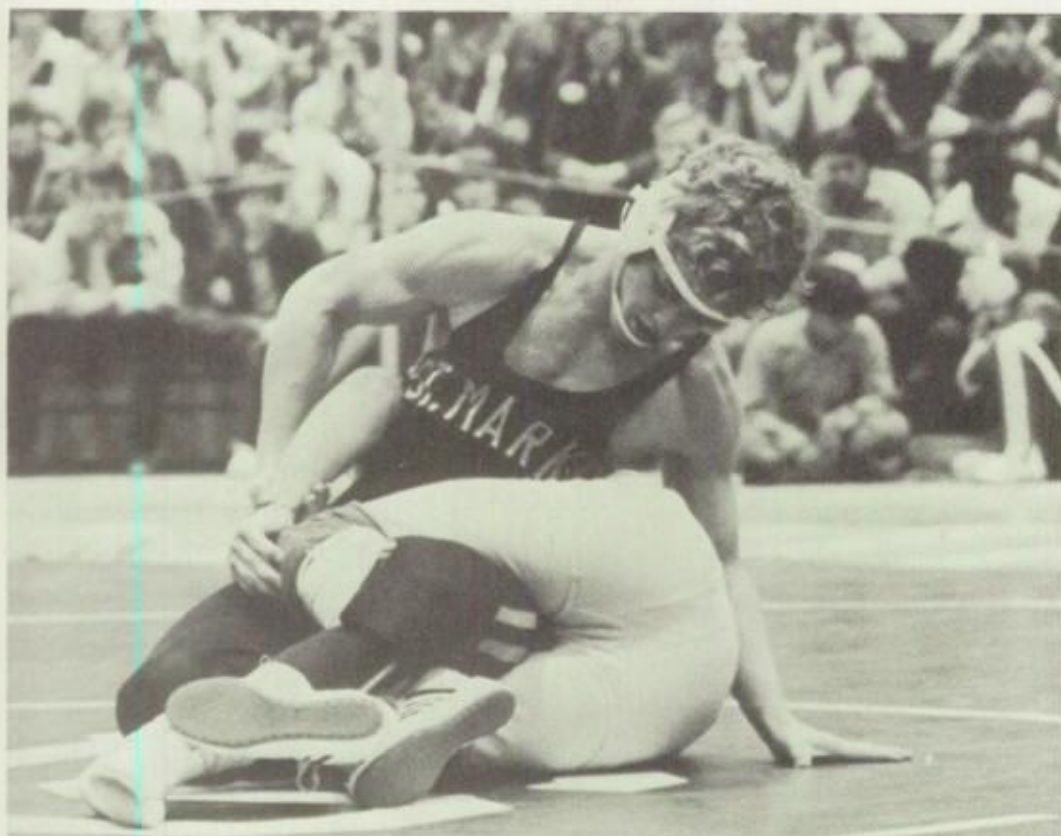

Mr. Gilmore encouraged the audience "to change the people in the system, not the system itself."

He also commented on the functions of the Dallas City Council. In addition to establishing land use, the

Council handles utilities, as well as provides police and fire services.

Concluding his speech, Mr. Gilmore encouraged the students "to study the American system" and challenged them to find a better one.

## City Wrestling Championship

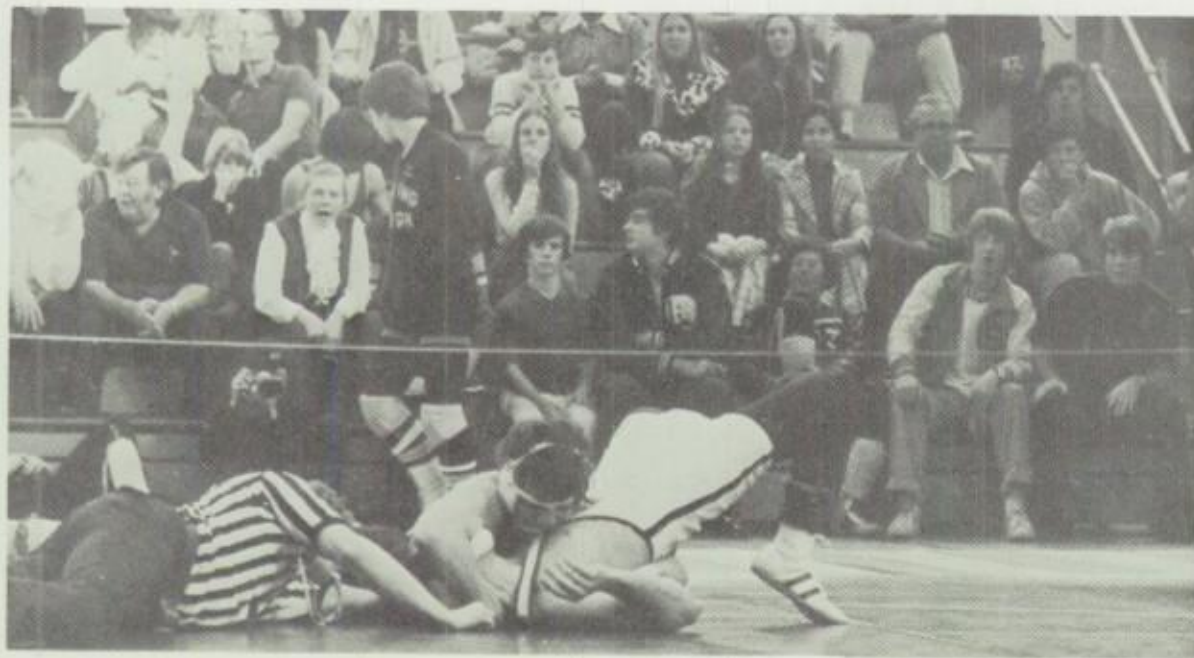

St. Mark's hosted the 1974 North Central Wrestling Conference Tournament on Friday and Saturday, January 28 and 29. Over 20 teams and 200 wrestlers competed from the North Texas area. St. Mark's defended its team championship, edging the very tough R. L. Turner team. Ten of the twelve St. Mark's wrestlers qualified for the state tournament, and four of them won their respective weight classes. Duke Phillips won the Outstanding Wrestler award.

# Sophomore Dance

The Sophomore Dance was held a week early this year because of sports events. So, on February 2, rather than the 9th, the dance took place. The dining room walls were covered with black plastic, and the crowd moved to the music of J. K. Anderson. Class President Tom Jones organized the dance. He said, "Sophomore Dances tend not to be the best dance of the year, but we're gonna change that." The refreshments were supplied by Mrs. Edward Wilson.

Weisberg takes off.

# WINTER SPC

The weekend of February 14-16, St. Mark's hosted the Winter SPC Tournament. Teams from Kansas, Oklahoma and all over Texas converged on St. Mark's to participate in swimming, soccer, basketball, and wrestling. The teams included Casady, St. Stephen's, St. John's TMI, San Marcos, Wichita Collegiate, FWCD, Holland Hall, and Kinkaid.

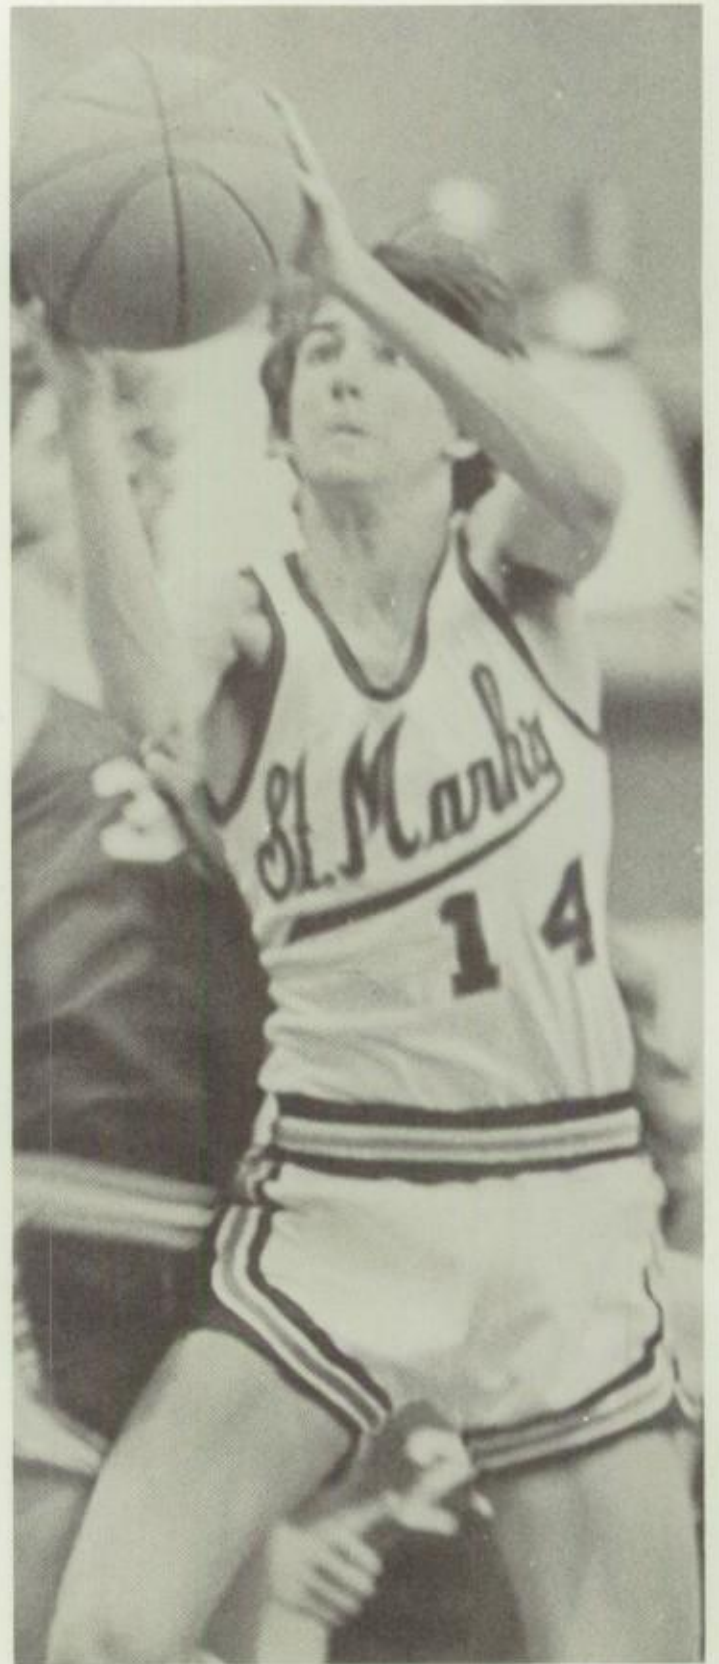

St. Mark's proved to be a rude host for the Tournament — sweeping all four of the sports, continuing its domination of SPC this year.

At 8 o'clock Saturday night, a dance was held on the mezzanine in the Gym, which culminated the SPC activities. Sponsored by the Student Councils of Hockaday and St. Mark's, the dance proved a success. Music was supplied by the group Buster Brown.

## Winter Athletics

# Basketball

The Lions started their season with stiff competition, opening with five AAAA teams. The only win of these five came against Plano in a 72-59 rout which ended in a fight and ejection of senior guard Rusty Getter.

The Lions then faced Bishop Lynch for a closely-contested game in which the St. Mark's Lions came out on top, 70-66. This proved to be good preparation, however, for the J. J. Pearce Tournament on December 6-8. The Lions were returning in hopes of defending their title, opening against Pinkston. This was one of the toughest games of the season, but St. Mark's managed a 10-point victory, 59-49. In the second round the Lions edged Adamson 44-41, behind the scoring and rebounding of captain Paul Collins. Again the Lions made it to the finals, where they faced Pearce for the second time of the season. Pearce won 60-54, but Paul Collins still managed to find a spot on the All-Tournament team.

The cagers then entered the Pepsi Tournament just before Christmas, which was perhaps the low point of the season. St. Mark's could muster only one win over McKinney between defeats to N. Garland and Nimitz.

The best showing the Lions made was in the Dr. Pepper Tournament. After the first day of the tournament, the Lions made headlines. They were referred to by Dallas area writers as the "Cinderella" team of the field after crushing wins over Richardson (77-59) and Thomas Jefferson (77-61). The second day the Lions were not so lucky, however, as they lost to W. T. White (48-70), but St. Mark's was not forgotten as Paul Collins was named to the All-Tournament team.

The one meet that St. Mark's dominated was SPC. There was no doubt that the Lions were champs as they crushed every team on their way to the title. The Lions were 7-0 in conference play and had four players on the All-Conference list. Paul Stewart, Paul Collins, and Robert Stokes made All-Conference first team, and Tom Ebner was honorable-mention.

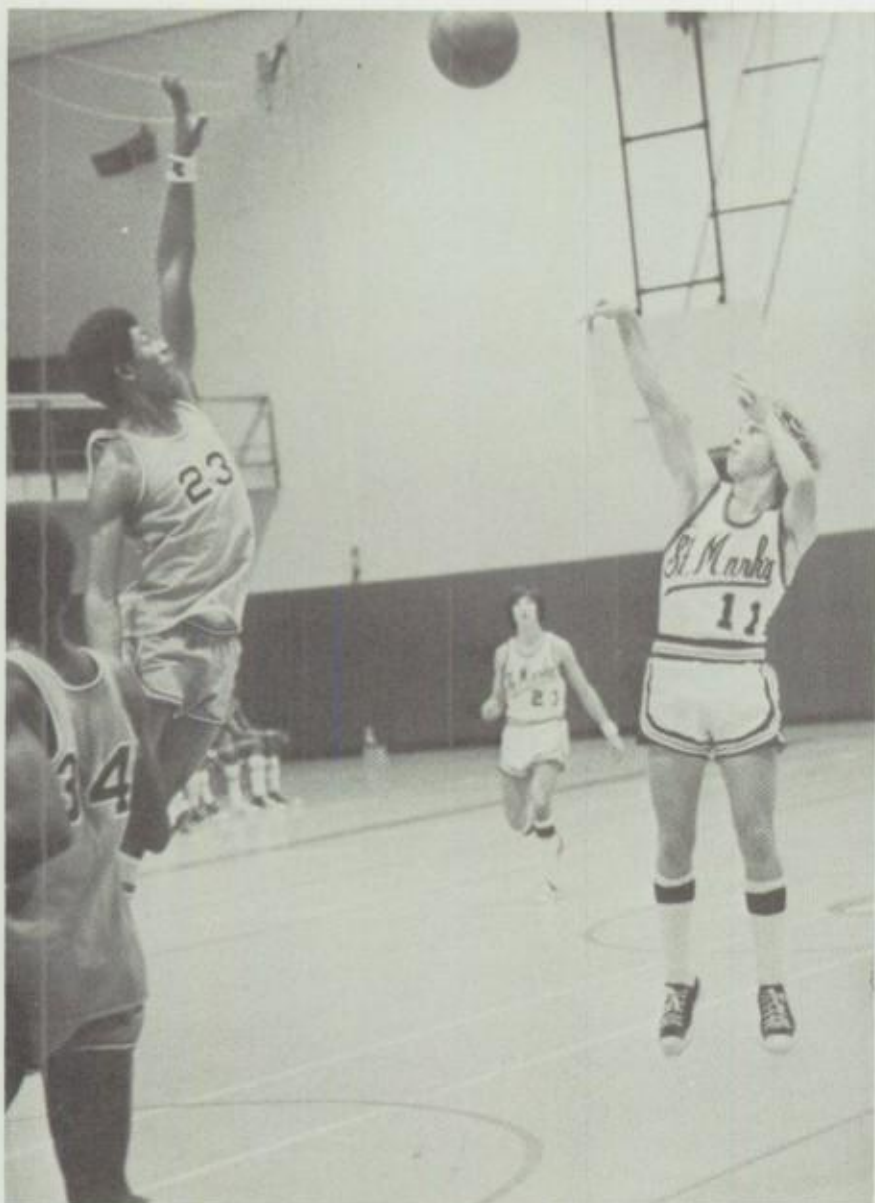

The Lions had a very tough season in competing with more public schools than ever before and being plagued by injuries, but they came out ahead with a record of 18-13 for the season. A very respectable record for any school the size of St. Mark's.

## State Runner-Up

The St. Mark's Wrestling team of 1973-74 clearly consolidated a strong position in Texas high school wrestling. The Lions swept the R. L. Turner Christmas Tournament, the North Texas Regional Championships, SPC, and placed second in the Texas State Championships. The dual meet record was a brilliant 10-1.

This year's team was led by Seniors Harris Block and Duke Phillips. Both captured first places in every tournament the team entered. Duke also won Outstanding Wrestler in the North Texas Region and Texas State Championships. Harris won Outstanding Wrestler at the R. L. Turner Tournament.

The team had eight returning starters, and those who joined the Varsity wrestled very well. Former B-team heavyweight Dwight Coleman captured the state title and lost only four matches the entire year.

Of the returning starters Harris Block went the season undefeated and won the state championship at 129 pounds. Duke Phillips had his finest season as he won State and lost only once. Brother Scott Phillips also lost only once as he took second in State. John "Boy" Lee won his first tournament championship and that came at the North Texas Championships. He also finished a strong third in State and looks for a strong senior year.

Cliff Freidman, Jack Steinberg, Buck Wynne, Glenn Ballard, Chuck Blaylock, and Bob Firth rounded out the lineup, and all added the valuable points that enabled the team to sweep three tournaments and take second in State.

# Soccer

This year the Lions had only six returning Lettermen, and had a lot of rebuilding to do. But with the former players and a lot of fine new material St. Mark's once again was able to build a winning team. The team was lead by captains Sinclair, Justice, and Hammonds. The coaches were Mr. Meyer and Mr. Kohler. The team consisted of Cassidy in the goal and fullbacks Justice, Sinclair, Ragland, Vanston, Price, Pratt, and Holmes. At halfback were Hammonds, Geilich, Cobb, Koca, and Bond. The front line was composed of Hailey, Aronson, Clark, Fletcher, Krape, Lang, Keay, and Maldonado.

Winning two and tying one of the first three games, the Lions showed promise of a powerful offense, but still had a faltering defense. Jesuit, trouble for St. Mark's all season, quickly took the wind out of the Lions' sails. Following a disappointing tie with Fort Worth Country Day, Casady, St. Mark's biggest SPC rival, came down and beat the Lions by scoring a goal in the final period. Though discouraged, St. Mark's rose to defeat Greenhill in the final game before Christmas.

St. Mark's started the new year right beating Cistercian twice in a row, but the Lions had seen their last victory for a while. After a surprising loss to Trinity Valley, St. Mark's travelled to Casady for their worst loss of the season and their only SPC loss. Unable to avenge themselves, the Lions had to settle for a tie in their next game with Jesuit. Then for the division lead, St. Mark's suffered its first loss ever to Greenhill.

Needing to secure second place away from Jesuit in the

division to be able to compete in the play-offs, the Lions had to win the next four games, and they won big, beating FWCD, Holland Hall, and Jesuit.

In the semifinals St. Mark's scored a crushing win over Trinity Valley and moved on to the finals. There the Lions met Greenhill. The game was scoreless as were four overtime periods, but the game was awarded to Greenhill on corner-kicks, 3-1.

The SPC Tournament was all that remained, and Casady led the Lions by one game. Meeting Kinkaid in the first game St. Mark's traded goals for a 3-3. But the Lions quickly took the lead in overtime and won. Casady tied that night.

St. Mark's crushed St. Stephen's the next morning with precise and conservative soccer. Casady, unfortunately, won that morning also, so the Lions were still a half game behind.

The final game of the season was against TMI. The game went scoreless until the last two minutes, when Burt Hailey put a penalty-kick into the net. Luck was on the side of the Lions, for that afternoon, inspired by the St. Mark's soccer team and many fans, St. Stephen's held onto an early goal to beat Casady 1-0. St. Mark's had won SPC! It was the first time in five years that St. Mark's had won all three tournament games.

Receiving All-Conference honors were: Robert Sinclair, David Maldonado, Chip Justice, Dwight Fletcher, and Cliff Cassidy. Awarded Honorable Mention were Burt Hailey, Ron Krape, and Jeff Clark.

# Swimming

Led by senior captain Tiger Allyn, probably the finest all-round swimmer in St. Mark's history, and new head coach Tim Shutt, the Varsity Swimming team had a very successful season, compiling a record of twelve wins and six defeats and winning the First Annual SPC Championships by an overwhelming margin. The Lions also garnered a fifth-place finish in the White Invitational and a seventh-place finish in the S.M.U. relays against the finest high school teams in Texas and Oklahoma.

By swimming with teams of the calibre of Richardson, Norman, and the S.M.U. frosh, and earning strong finishes in state-wide meets, St. Mark's has begun to establish a reputation as a Texas high school power — a reputation which next year's team should do nothing to dampen.

Four-year letterman Tiger Allyn set new school and pool records in the 200-yard freestyle (1:51.8) and the 500-yard freestyle (5:06.0).

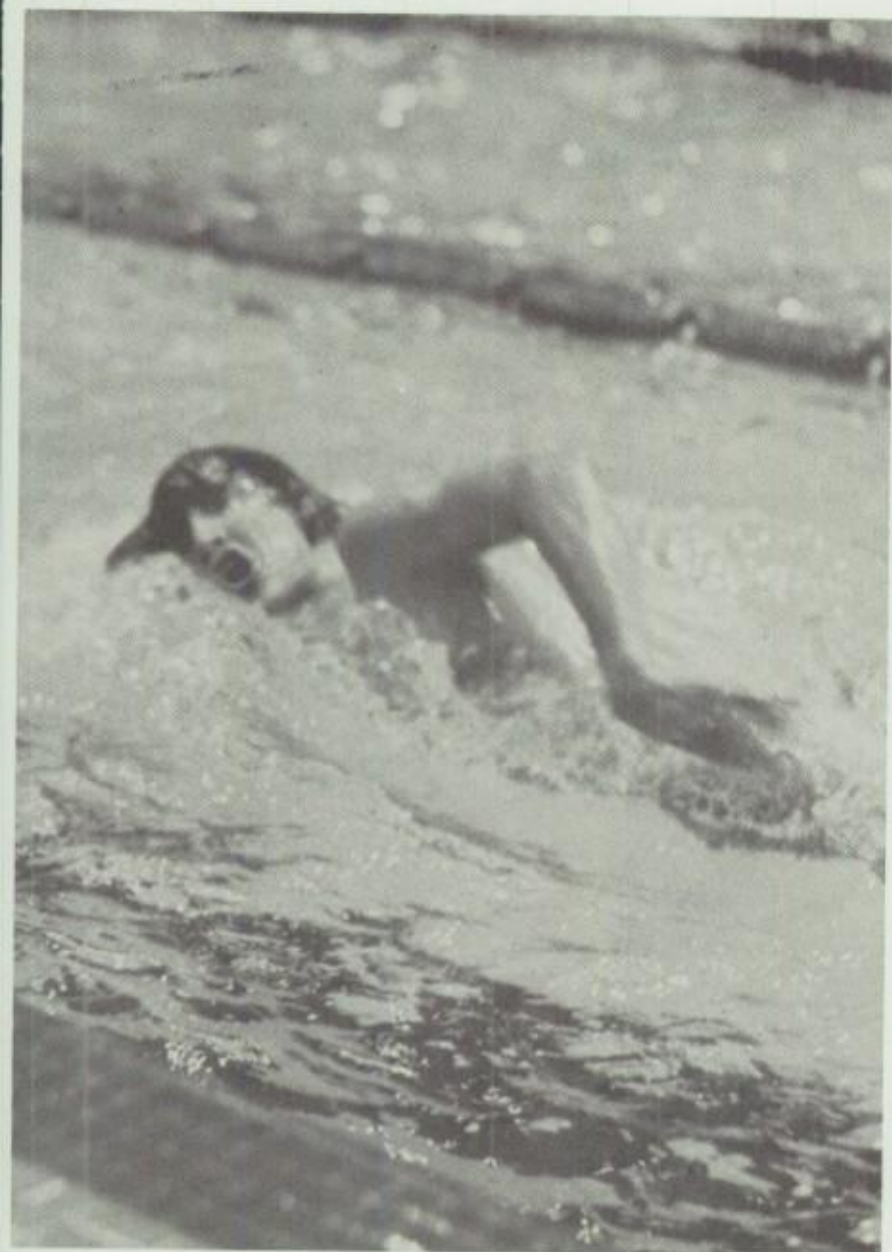

Senior Captain Tiger Allyn.

Other valuable performances were exhibited throughout the season by sophomore Greg Kraus, who split a fast :50.6 for his leg of the 400-yard freestyle relay at the first SPC meet; juniors Scott Harris, Dixon Hutchinson, and Craig Levering; and sophomores Doug Glen, Mark Lenox, Sid Balman, and David Holt.

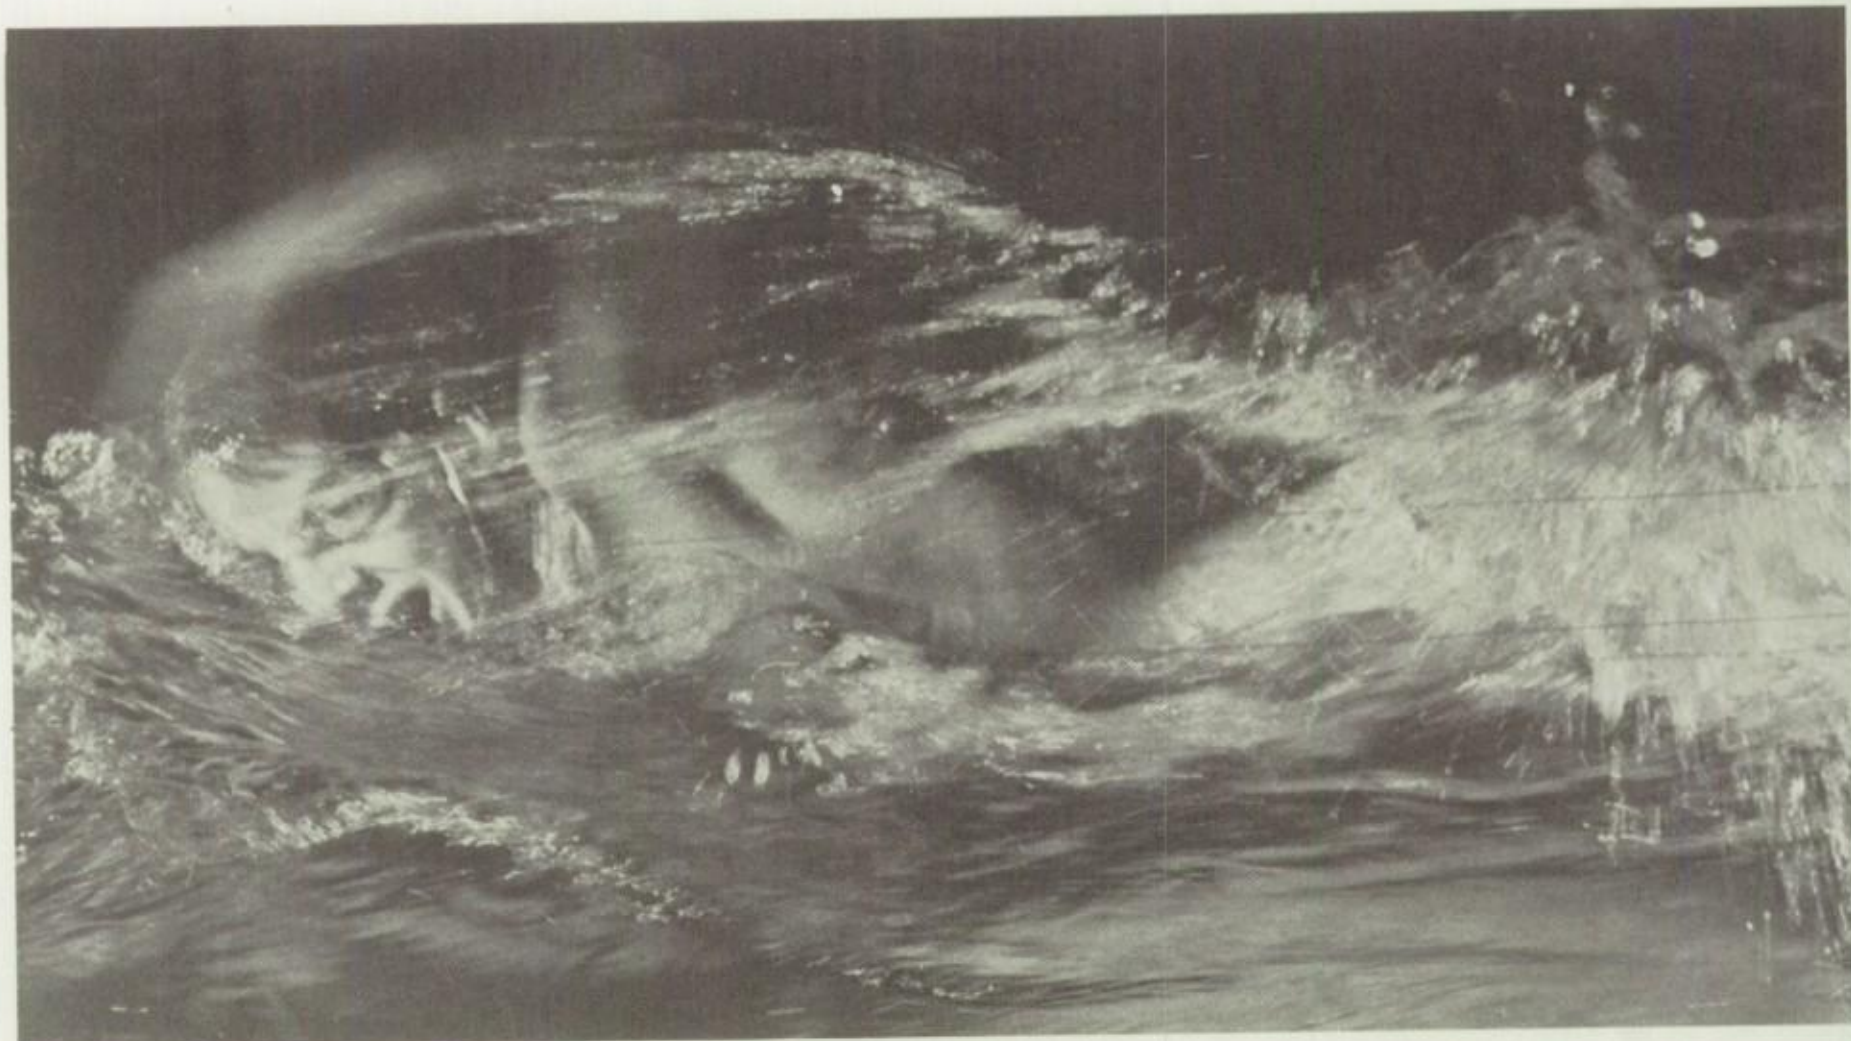

Seniors Rob Norris, Scott Pinkston, and diver Bill Denman, were also valuable to the team. Pinkston in the sprints, Norris in the butterfly and I.M. Improving dramatically at the end of the year to join the ranks of top swimmers were freestylers Marshall Payne and Phil Page.

This was a satisfying season; the team matured a great deal with everyone improving their personal best times in nearly all events. Captains for next year are Dixon Hutchinson, Craig Levering, and Marshall Payne.

## Fencing

The St. Mark's fencing team, coached by Mr. Daniel Nevot, has once again had an outstanding year. Three fencers, sophomore Charles Helms and freshmen Fergie Anderson and Kerry Sulkowicz, qualified for the Junior Olympics Fencing Championships in Miami, Florida. In another tournament, senior captain Leslie Connally, junior Blain Norfleet, Helms, and Sulkowicz qualified for the 19 and under Southwest Championships at Rice University.

The Varsity will lose only one member, Connally, and with five returning lettermen the team expects to be even more successful next year, with a strong B-team to support the Varsity.

Hark! the hours are softly calling  
Bidding Spring arise,  
To listen to the rain-drops falling  
From the cloudy skies,  
To listen to Earth's weary voices,

Bidding he no longer linger  
On her charm'd way,  
But hasten to her task of beauty  
Scarcely yet begun.

Mrs. Bernice Johnson

Mrs. Bernice Johnson, an American Indian from the Dallas Inter-Tribal Center, spoke to several history classes at St. Mark's in February.

She said that the main problem confronting Indians is simply a lack of understanding. In particular, she pointed out that the idea of a scholarship is unclear, and she encourages young people to take advantage of all scholarship offers.

The Dallas Inter-Tribal Center is supported entirely by donations. The center helps with everything from social, legal, and medical problems to writing contracts.

Dr. Bryan Williams, Dean of Southwestern Medical School and father of Senior Philip Williams, discussed careers in medicine with Juniors and Seniors in a special joint class meeting in February.

Dr. Williams stressed the fact that "the medical profession is not for everyone." He stated that within the last few years an increasing number of college undergraduates have chosen to become doctors. He feels this rising interest will prove to be detrimental, when society finds it has more doctors than needed. The speaker attributed the present situation to the romanticizing of modern medicine through television and other media.

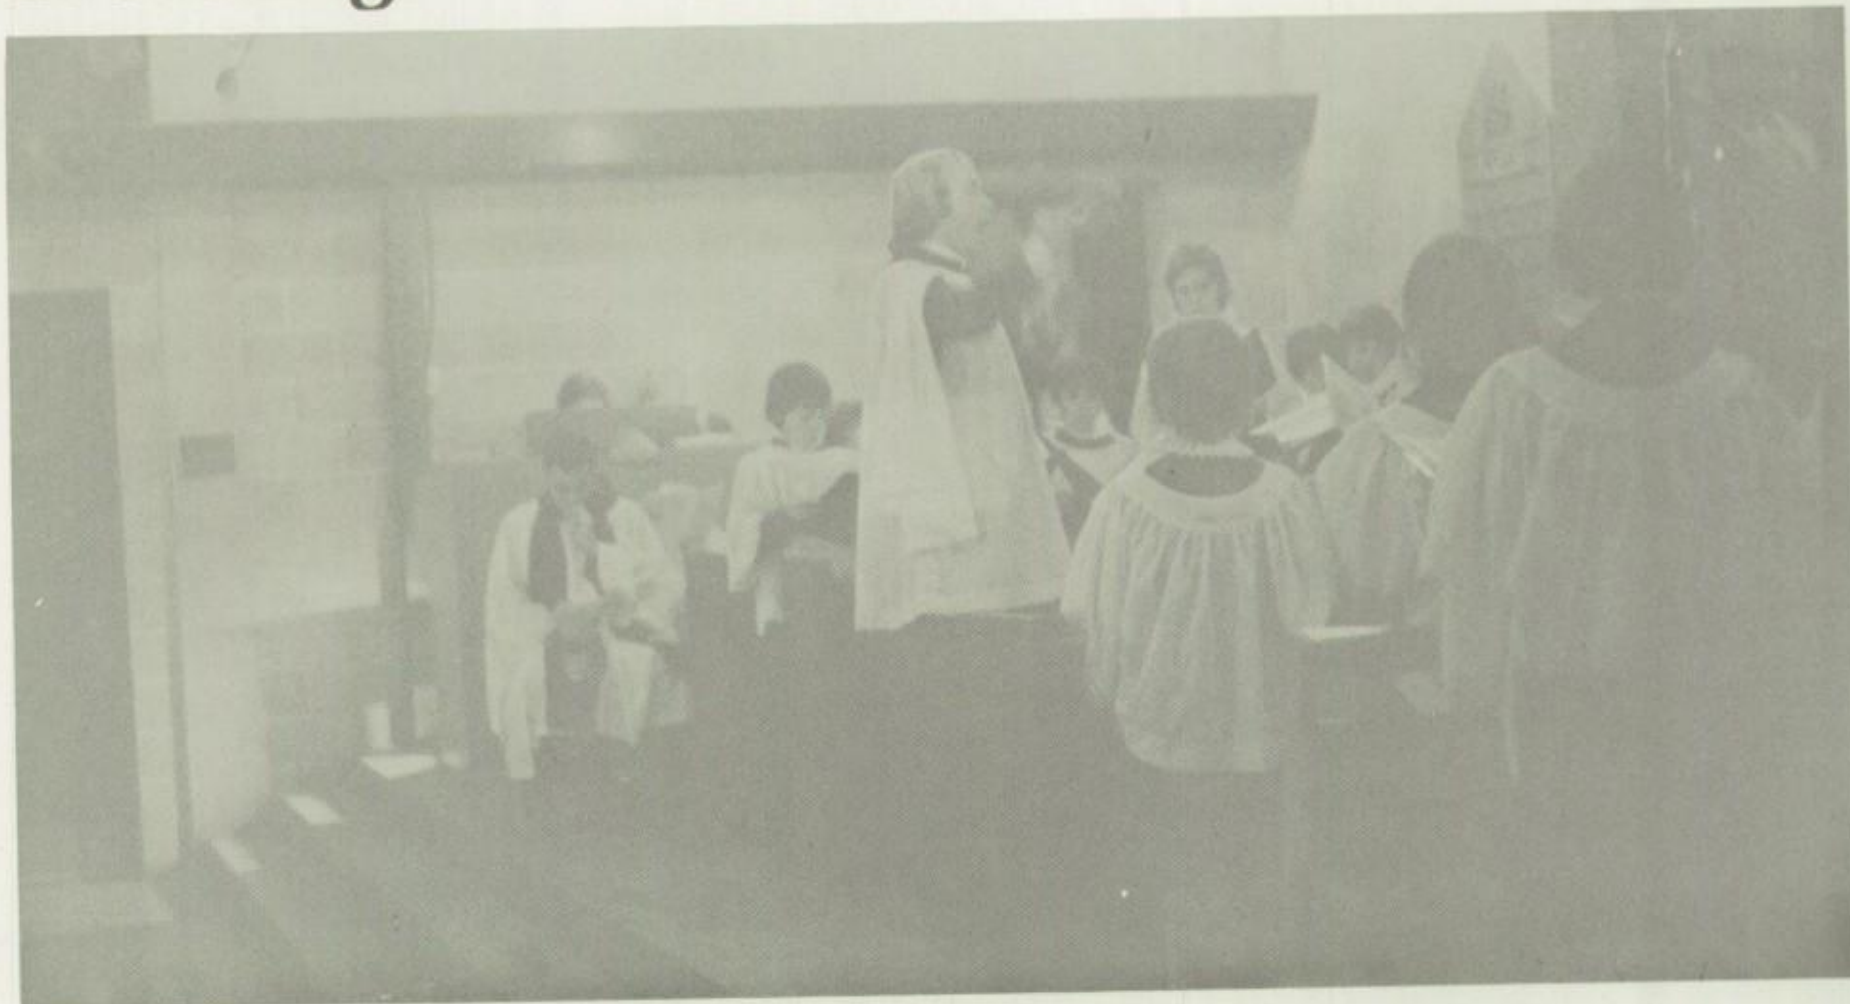

Dr. Williams made it clear, however, that he did not want to discourage anyone from a medical career, but he did emphasize that "it can not be for everyone." Noting that within the next few years the Juniors and Seniors "will pick a means of making a living," the Dean pointed out that a person can make a contribution to society through business and other occupations, without dealing with his fellow man on a one-to-one basis. Acknowledging that the medical profession has grown highly competitive because of a rising number of applications, Dr. Williams said he would help in any way that he could, students pursuing a medical career.

# Evensong

On February 24 at 7:30, Evensong was held in the Chapel. It was held in honor of the Overseas Commissioner of the Royal School of Church Music, Dr. Gerald Knight. On tour, Dr. Knight stopped in Dallas for the service. A reception was held for Dr. Knight at the home of Mr. and Mrs. Fred M. Smith II prior to the performance.

Because Dr. Knight is English, the service was somewhat Anglican, featuring an anthem by a 17th century composer, Henry Purcell, sung by Jeff Clark and David Lutken, and accompanied by a string ensemble from SMU. David Lutken also sang the Preces.

The Film Society held its annual Film Festival during the weekend of March 9-11.

Friday night, *The Unicorn and The Garden* — based on James Thurber's short story of the same name, and Alfred Hitchcock's *Psycho* were shown.

Saturday, *Viva Zapata* — a movie on the Mexican Revolution — was shown, followed by a repeat showing of *Psycho*.

Five films were shown Sunday. The first was *The Quiet One*, a movie on young blacks in Harlem. Next was *The Unicorn and the Garden*, followed by *The Sky Above*, *The Mud Below*, a movie about a tribe of cannibals in Guinea. Fourth was *Jimmy Blue Eyes*, about a young trumpet player striving for perfection. The last film was *Fahrenheit 451*, a science fiction story based on the novel by Ray Bradbury. *Psycho* and *Fahrenheit 451* were the two most popular films.

# ORGANIZATIONS

## Choir and Glee Club

Beginning with a performance of the *Liebeslieder Waltzes* by Brahms in the fall, and continuing by performing at the Baccalaureate service in May, the Choir and Glee Club provide the school with many successful performances.

In addition, the Choir and Glee Club combined with Hockaday to form a mixed chorus.

Directed by Mr. James Liven-good, the Choir and Glee Club were led by presidents Dan Bass and David Bond.

# The ReMarker

Under the guidance of Editor Mark Jacobs and Managing Editors Dan Bass and Keith Holder *The ReMarker* continued to inform the school community with news and sports. In addition to publishing an issue every two weeks, the paper also managed to produce a special publication commemorating the school's 40th anniversary as well as a satirical April Fool's issue.

# Chess Club

For its fourth consecutive year, the St. Mark's Chess Club catered to its 80 plus members. The club published weekly rating lists, provided a playing area on campus, and held several intra-school tournaments in addition to four major city-wide tournaments. For the third straight year the chess team swept all match opposition and closed out the season undefeated. This year the president of the club was Steve Bock and the vice-president was Pat Ford.

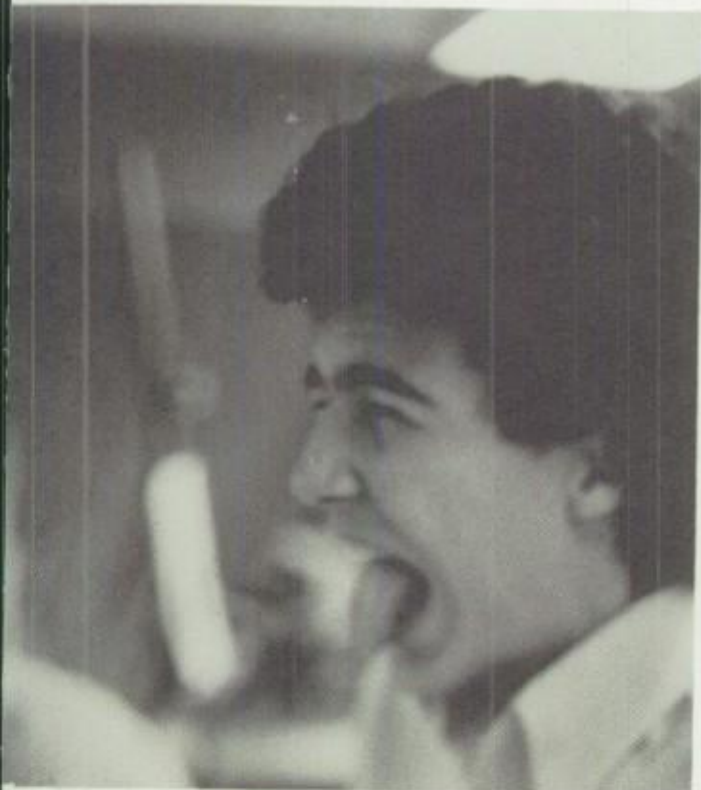

# Astronomy Club

The St. Mark's Astronomy Club, headed by President Tiger Allyn and Vice-President Bruce Breedlove, again presented many fine shows to the Lower School and other groups.

The Club presented monthly shows beginning with the successful Halloween show, "The Sign of the Pentagram." The shows were written and produced by members of the Astronomy Club.

The Club also held public sessions to observe Comet Kohoutec and the night excursions to view the stars.

## Co-op

The Co-op continued to provide students with school supplies under the direction of manager Brad Bayoud and assistant managers Jeff Clark, John Hammonds, and Philip Williams.

Profits were used in aiding the Student Council with its projects.

## Debate Club

The Debate Club had another successful year, under the direction of advisor Mr. George Edwards. In addition to their spring tournament at St. Mark's the group journeyed to various state and city matches.

The members also participated in oratory, extemporaneous speaking, and poetry readings.

## Student Council

The 1973-74 Student Council had a successful year under the direction of President Tom Aronson, Vice President Randy Williams and Secretary John Lee.

In addition to providing the school with such noteworthy assembly speakers as Dallas Cowboy's coach, Tom Landry and Dallas city Mayor Wes Wise, the Council also established a student-faculty commons, staged the Homecoming and S.P.C. Dances, operated the newly installed concession stands, and produced a well-received Talent show.

The Lion and Sword Society is an honorary organization dedicated to assisting the school during the year. Members were present to escort visitors through the school and assist at annual functions, such as the Christmas Party. Membership consisted of the President and Vice-President of the Student Council, the presidents of the sophomore, junior and senior classes, and others elected by the organization.

## Lion and Sword Society

## Cum Laude

Since its founding in 1959, the St. Mark's chapter of the Cum Laude Society has continued to induct the top ten per cent of the Junior class and the top twenty per cent of the Senior class.

This year's student members included William Allyn, Brett Campbell, Dunham Cobb, Alan Foster, David Frye, Bruce Holmes, Robert Naab, and Paul Stewart.

## Environmental Council

Under the guidance of President Nick Whatley and Advisor Mr. Jack Hollon, the newly formed Environmental Council launched several campaigns aimed at conserving resources. The Council started a paper recycling program, posted signs reminding people to conserve electricity, and also started a project to beautify the campus.

In addition, the Environmental Council presented several morning assemblies about ecology.

## Trivia Club

The Trivia Club, now in its third year of existence, has bombarded the morning bulletin with senseless enigmas.

The members include Bruce Breedlove, Rease Parton, David Frye, and Terry Proctor.

## Re-Marks-A-Lot

*The Re-Marks-A-Lot*, the Middle School newspaper, was published under the guidance of faculty sponsor Miss Ingrid Yollick and editor Jim Morrison. The publications included many articles, pictures, cartoons and puzzles which were contributed by Middle School students.

## Marque

The *Marque* is the school's literary magazine. The staff is composed of a faculty advisor, an appointed editor, and other interested students from the Upper School. The *Marque* publishes creative art, writing done by the student body and faculty, and photographs. This year the advisor of The *Marque* was Mrs. Cathy Lutken and the editor was Jeff Wagner.

## Problem Solvers

The Problem Solving Club participated in several tournaments this year, including the Hockaday Tournament. The members have also spent time preparing for the National Mathematics Examination. Mr. Michael Beidel sponsored the group.

## Outing Club

With trips open to all students, this year's Outing Club ventured to wild areas on various excursions.

The club was able to offer a variety of trips to all those who were interested.

The activities consisted of canoe trips and races, day hikes, and overnight trips.

The faculty sponsors for the Outing Club were Messrs. Lutken, Spain and Easterling.

## Drama Club

This year's Drama Club has had a productive season. The group of St. Mark's students interested in directing, writing and producing plays, presented many performances. The group also participated in a festival of One-Act plays with Hockaday.

## KSTM

Despite necessary repairs and wiring difficulties, KSTM made great progress this year. Under the leadership of President Barron Thomas, KSTM received its long-awaited broadcasting license. Next year the station will be able to broadcast over a ten mile radius.

## Film Society

The St. Mark's Film Society is a student organization dedicated to presenting films to both the school community and the public. Also through donut sales, the Film Society has been able to make contributions to the Student Council, and the Campaign.

The club, led by President Andy Reisberg, presented several specialty weekends and the annual festival.

## Maintenance

Under the guidance of Chief Executive Wayne Whitham and Advisor Phil McDaniel, the maintenance crew managed to clean all aspects of the school's facilities. The workers received wages for their services after school and during vacations.

# Lettermen's Club

Under the leadership of President Paul Collins, Vice-President Duke Phillips, and Secretary-Treasurer Bill Von Behren, the 1973-74 St. Mark's Letterman's Club had another good year.

The main activity of the year was the annual Athletic Banquet in May. Thanks should go to the club's officers, the helping mothers, and their advisor, Mr. Quisenberry.

In addition, the Letterman's Club helped finance the building of the two trophy cases outside of the gym.

## Band

With the remodeling of the McDermott building completed, the band prepared vigorously for the upcoming football games.

The band also generated spirit at pep rallies under the direction of student conductors, Lamar Hunt, Dwight Fletcher, and Jeff Clark.

Shortly after the football season ended, the band participated in the Thanksgiving program commemorating the assassination of John F. Kennedy, and the annual Christmas concert.

After Christmas vacation, the band began preparation for the Spring jazz concert. The band also made an appearance at the ISAS Festival.

## Orchestra

The Upper and Middle School Orchestras provided the school with many well-received concerts. These included a joint Christmas concert with the band, an appearance at the ISAS Festival at Hockaday, several Lower School concerts, and a final concert in May.

Under the excellent direction of Mr. L'Helgoual'ch, this year's orchestra was perhaps the best ever at St. Mark's.

Nature  
has a gift  
for you...  
**A quiet  
place.**

**T**ake that secluded corner of the yard. Install a little fountain to make soft music, a favorite outdoor chair or two. Then make it your own private quiet place away from all the rest of the world with a natural screen to keep distractions out, keep beauty, serenity in.

Do it with living plants and trees and shrubs — the original sound barrier, original air conditioner, original beautifier.

Your quiet place. Nature's gift. We'll help you do something about it.

. . . Lest we forget

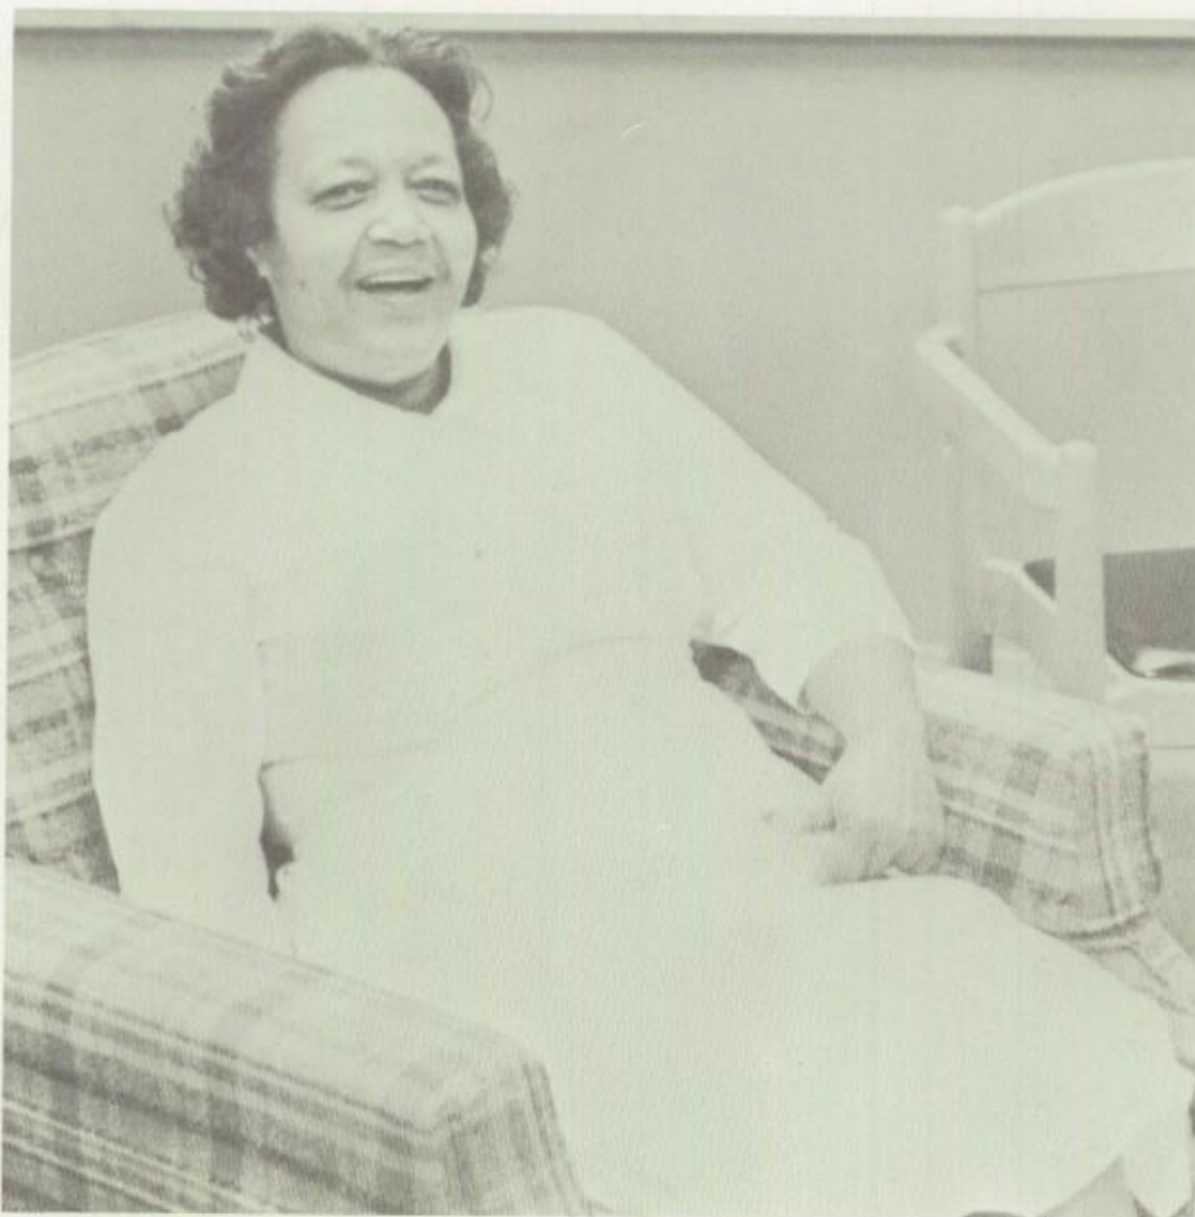

This page is specially dedicated to  
**JOHN J. CONNOLLY,**  
who has given entirely of himself to the school  
and its community for twenty-five years. Thank you,  
and remember, though some people might  
take you for granted after so many years;  
it is on foundations as strong as yourself  
that institutions are built.

**St. Mark's bids a loving  
goodbye to Velma Fowler,  
who, after 40 years friendship,  
shall always be remembered.  
Her smile shall live on in  
all our hearts.**

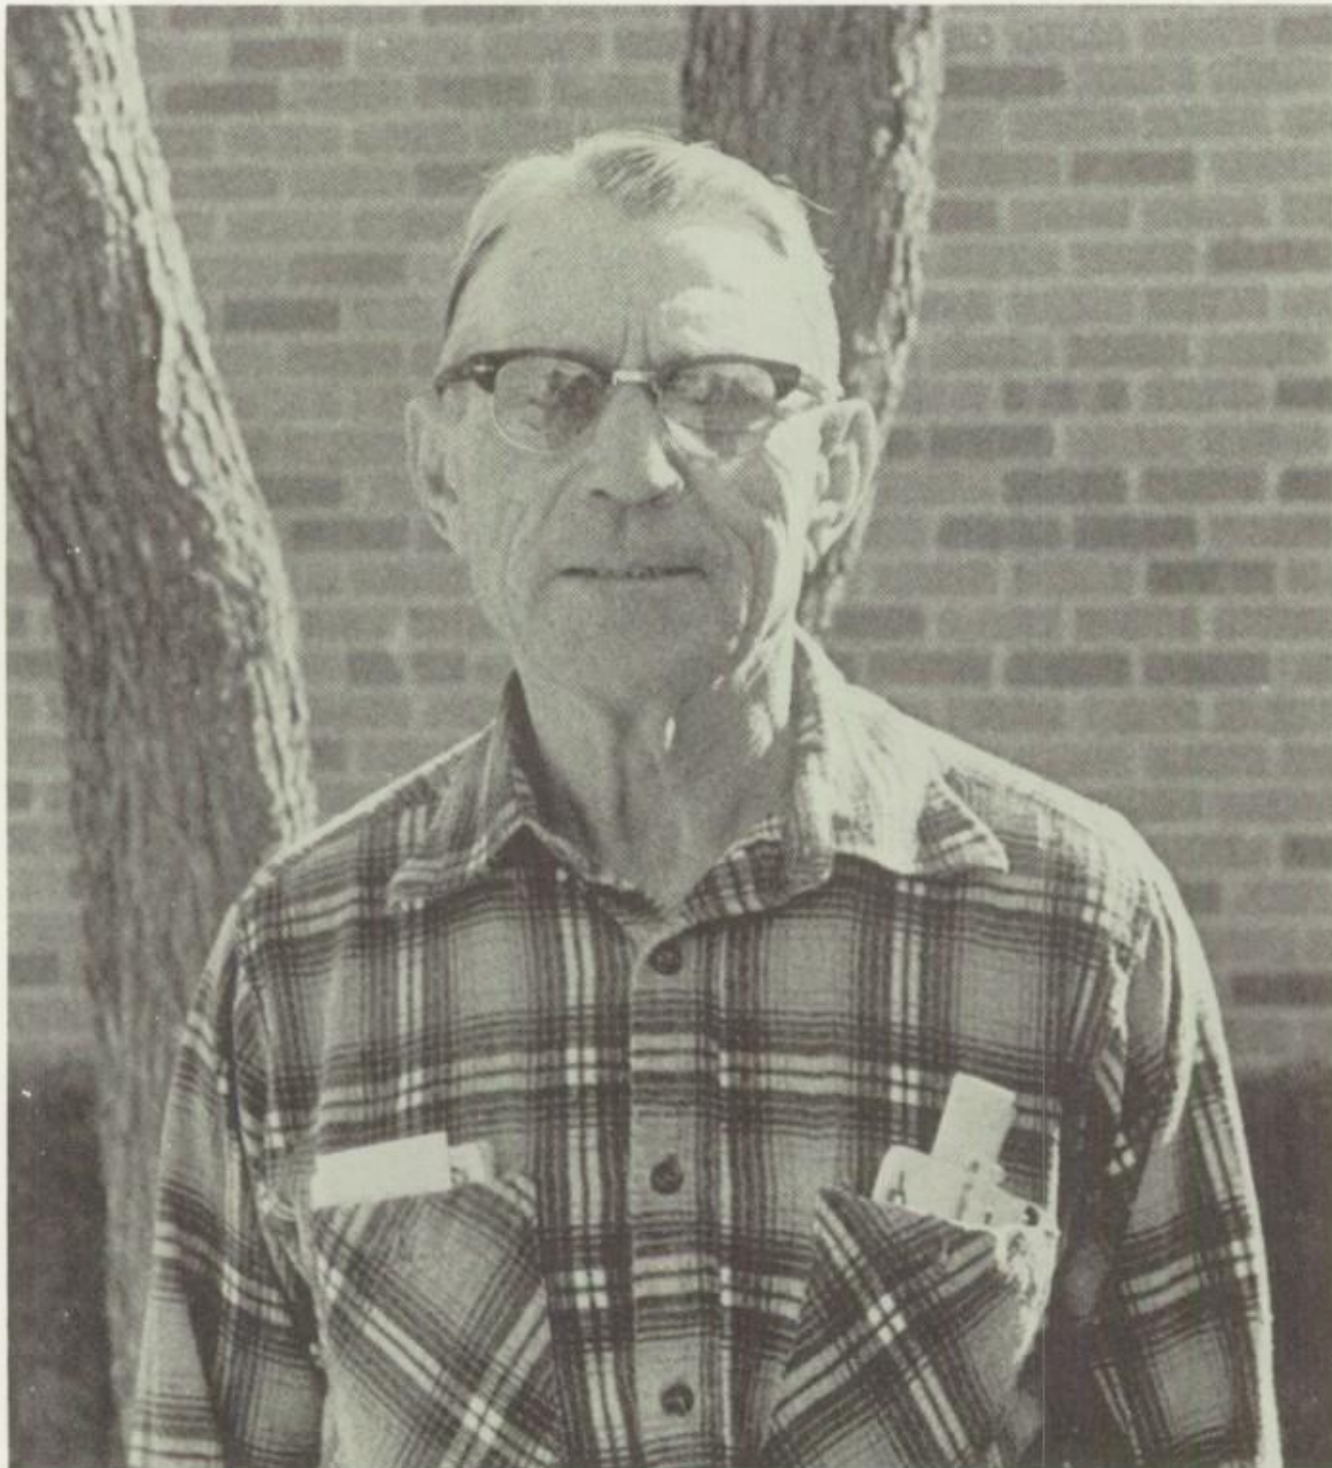

**Goodbye to Mrs. Chloe Gursch,  
who in her nineteen years, has worked  
wonders in the Lower School, and has  
touched the lives of many Marksmen.**

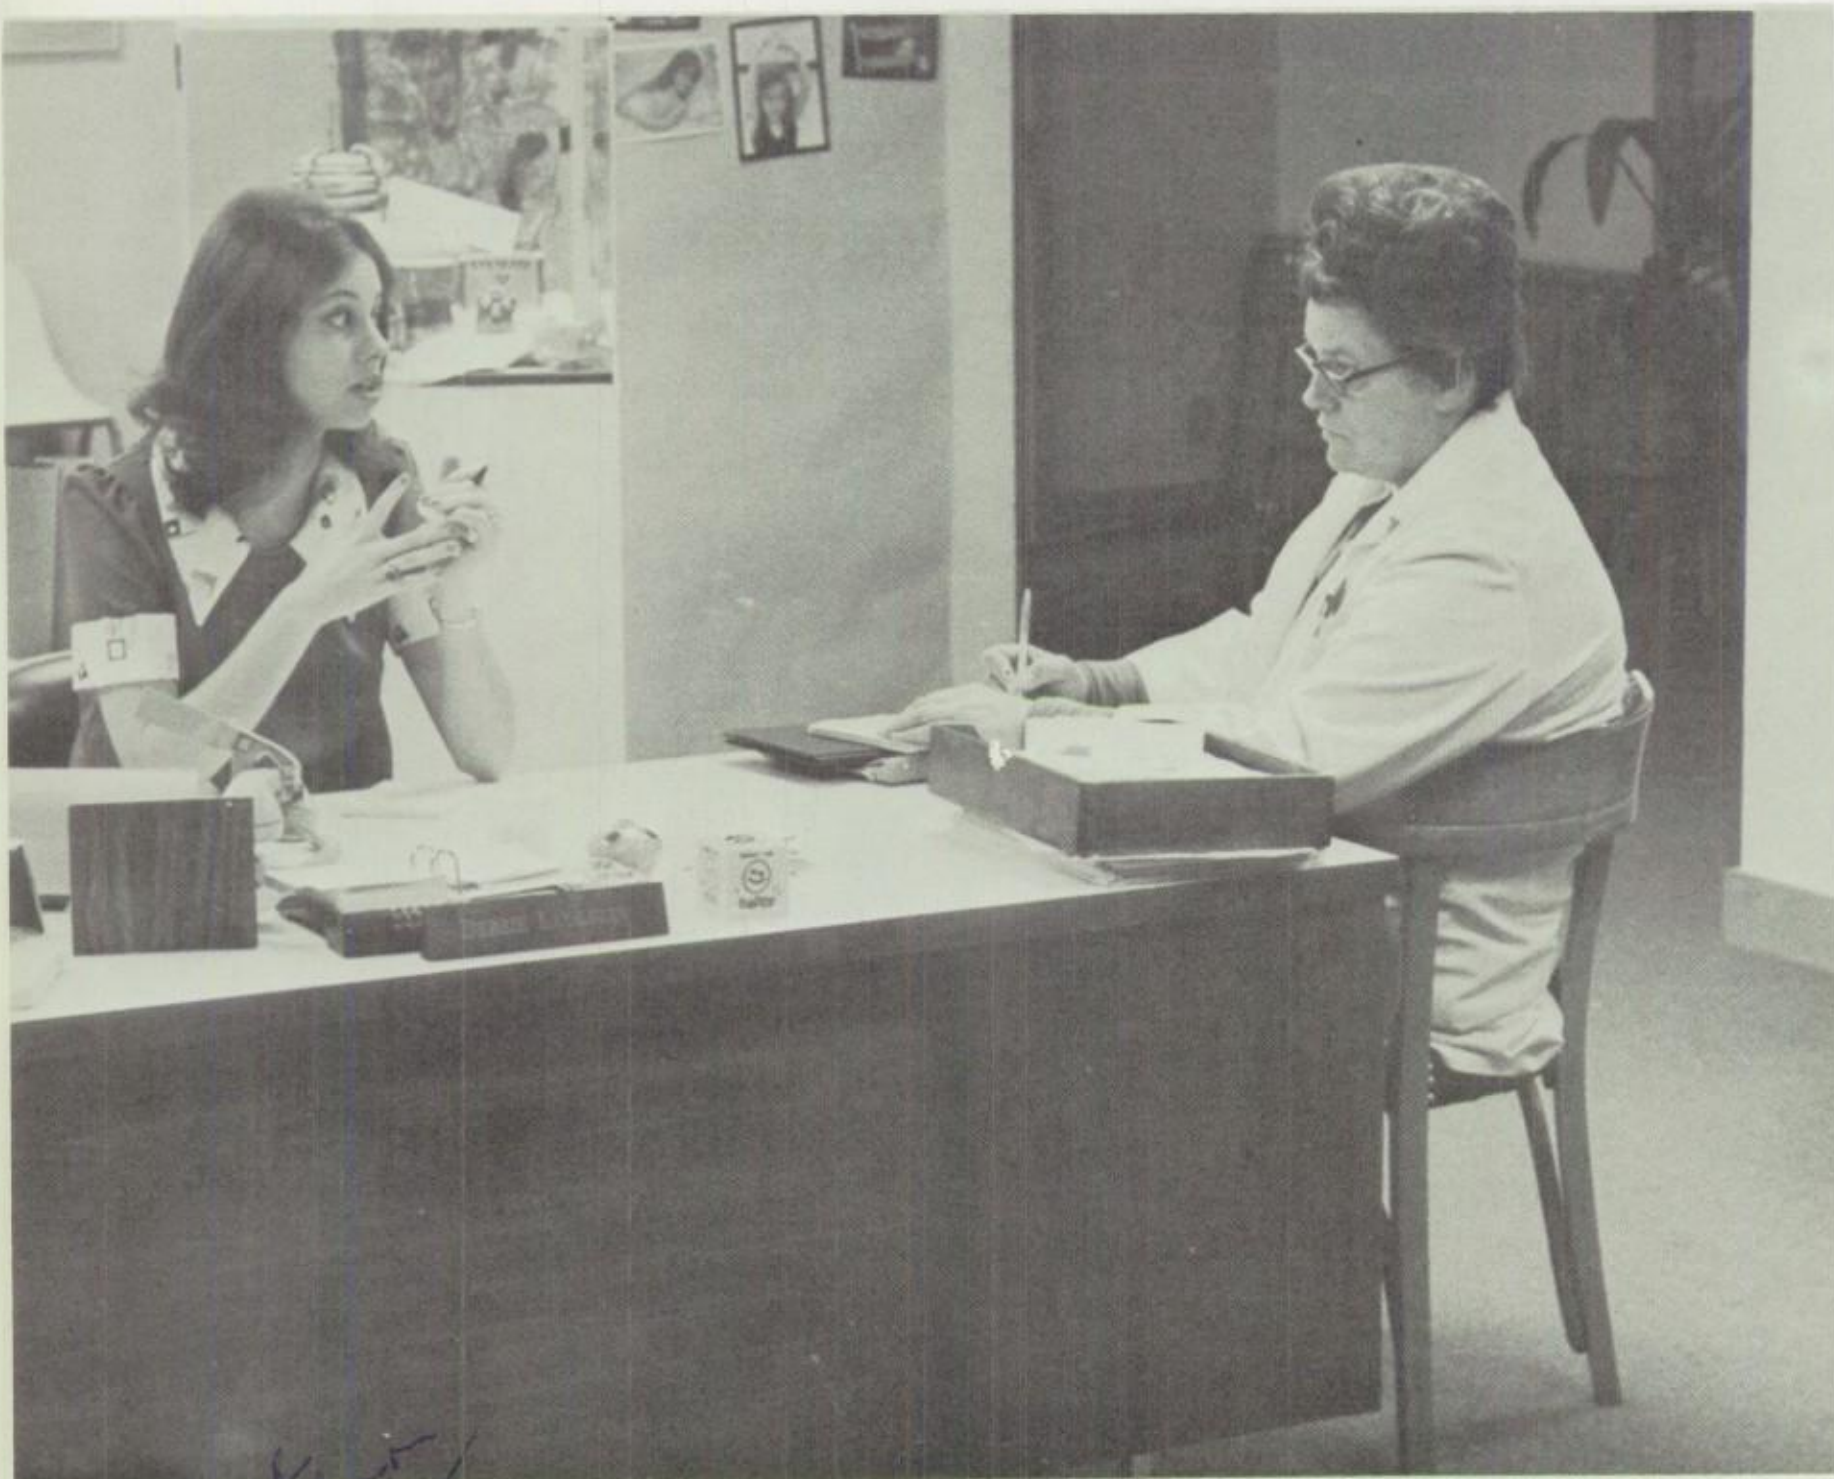

**The graduating class, and the rest of the school  
wish to thank  
MR. JOE MISKE**

**for twenty years of unending service,  
doing that which needed to be done  
to keep the school running.  
We are pleased that you will continue to be  
with the school part-time,  
helping as only you can.**

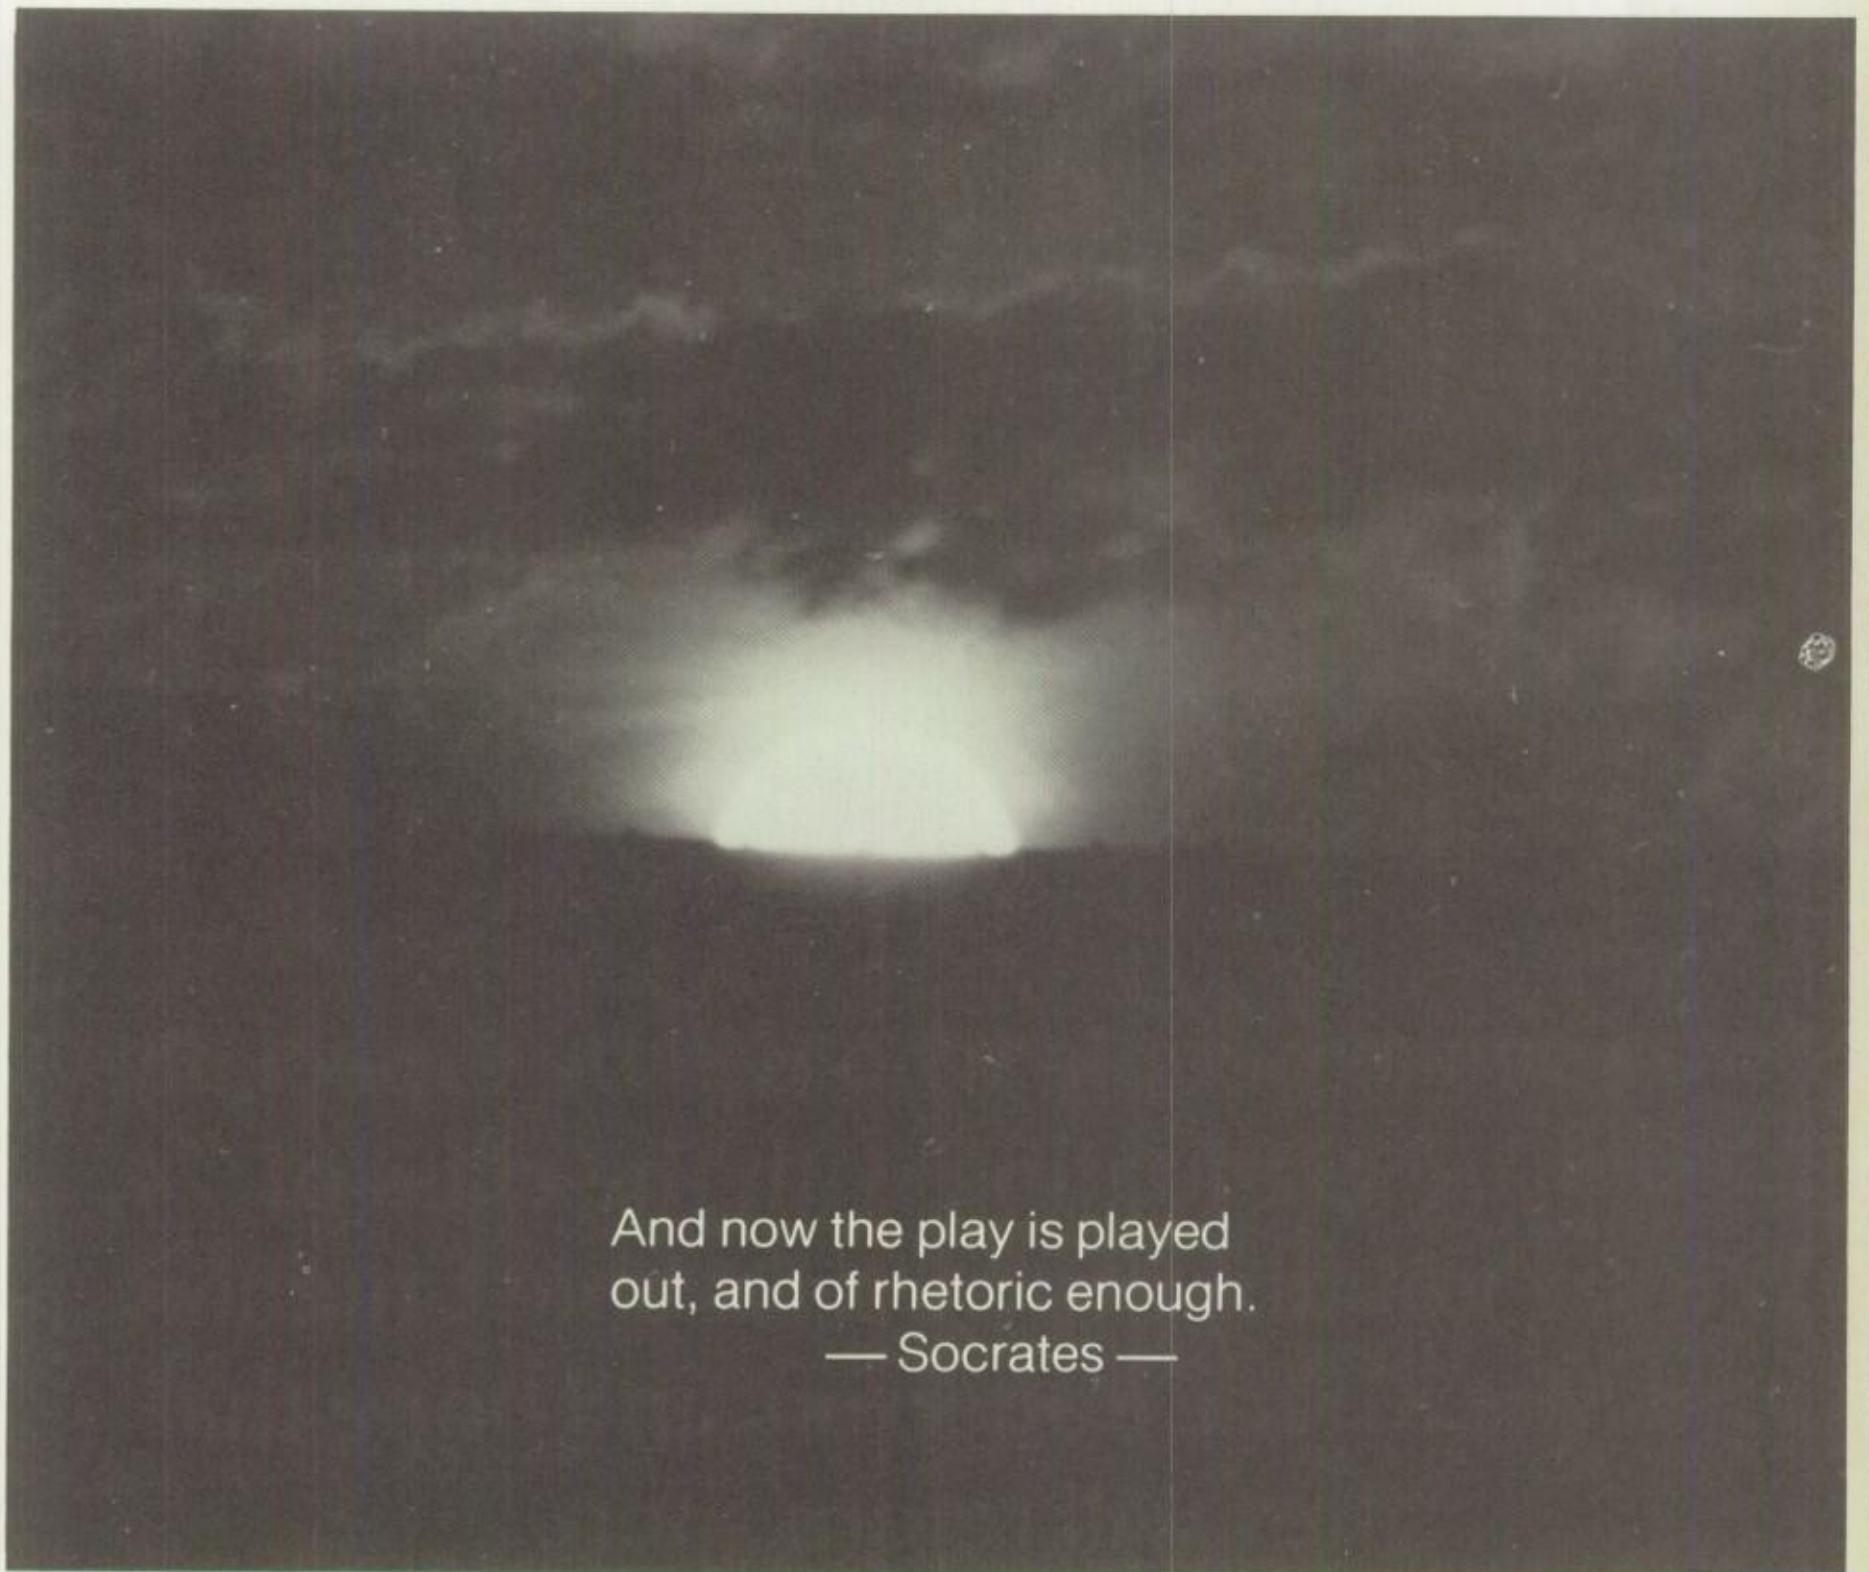

*Good luck  
Mrs. Roberson*

**Two special people who will be especially missed are graduating with the class of '74. We say goodbye to Mrs. Debbie Laughlin and Mrs. Grace Roberson, and hope that they will return soon.**

. . . and as the sun sets,  
the curtain falls.

And now the play is played  
out, and of rhetoric enough.  
— Socrates —

**THE END!**
